FOR CUB SCOUTS**

ILLOWA COUNCIL
BOY SCOUTS OF AMERICA

1 Yardstick = 1 Average Human Life

1 INCH = 2 YEARS

You have from the time your son enters Kindergarten (6 years old) to the time he graduates High School (18 years old) to develop your child into the person he will be for the rest of his life. On the example above, the area between 3 inches (6) to 5 inches (10) represent the critical years in your son's development. These are the years when many of his decision-making skills, ethics, and moral values will be developed. Besides having fun, these are key elements in the Cub Scout program. Studies continue to show young people involved in our type of programming are less likely to get into trouble with drugs and crime, and more likely to be successful in school.

Let us help you in developing your son's decision-making skills, ethics, and morals by teaching him to live his life by the Scout Oath and Scout Law. It's never too late to join a program where your son can make memories that will last a lifetime!

Scout Oath

On my honor I will do my best
To do my duty to God and my country
and to obey the Scout Law;
To help other people at all times;
To keep myself physically strong,
mentally awake, and morally straight.

Scout Law

A Scout is:
Trustworthy, Loyal, Helpful, Friendly,
Courteous, Kind, Obedient, Cheerful,
Thrifty, Brave, Clean, and Reverent.
