Dear High School Counselor:

The Amarillo College Foundation is proud to administer the **Sybil B. Harrington Scholarship**. The scholarship provides for chosen students to attend either Amarillo College or any accredited four-year Texas college or university. The scholarship awards \$2,000 annually in assistance to AC students and \$4,500 annually to students attending a four-year school. The scholarship is sent directly to the school and assists with tuition, fees and books. PLEASE encourage your students to apply!

To receive the Harrington scholarship for Fall 2021, a student must be a new high school graduate from one of the 26 counties of the Texas panhandle, must reside in Texas and must be a U.S. Citizen. The application for the Sybil B. Harrington scholarship is posted on our website at actx.edu/harrington beginning **TODAY**. The filing deadline is **February 1, 2021**. The application is now **online**. There is one application for all students. They simply list the school they are going to attend, i.e., AC or the name of the four-year school.

Included with the two-page application is a *Statement of Personal Need* (financial) form, as well as, a *Reference Form*. The student will provide the **email address** of the parent/person needing to fill out the **Statement of Personal Need** and the person they wish to fill out the **Reference** form. Those forms will automatically deliver to those specific emails. That person will complete the online form. The completed form will attach to the appropriate student's application electronically. Within the application, the student must also upload a **photo (headshot), an official Fall 2020 transcript, an ACT/SAT score(s) and a minimum two-page essay**. The only paperwork that **cannot** be sent online to us is the requested 2019 1040 IRS form. Due to security concerns, the first two-pages of the form can be **faxed** to us at 806-371-5370 or
