## At Home Health Screening Tool for Students

Parents/Guardians: Please review this screening tool **before** school **every morning** for each of your schoolaged children. This tool is for your reference only, **do not** send it to school.

Is your child experiencing any of the following symptoms?

Feeling unwell
Cough
Shortness of breath or difficulty breathing
Fever-like symptoms such as body aches, body chills and/or sweating
Temperature over 100.4 degrees F or 38.0 degrees C
Muscle Pain
Headache
Chills or repeated shaking from chills
Runny nose/congestion
Sore throat
New loss of taste or smell
Nausea
Vomiting
Diarrhea

If your child is experiencing any of the above listed symptoms, keep your child home from school and contact your medical provider for further instructions.

## \*\*If any of the above-listed symptoms are sudden or severe,

## seek immediate medical attention.\*\*

Please indicate yes or no next to the following statements:	Yes	No
Has your child taken cough/cold medication and/or fever reducers such as Tylenol/ibuprofen today		
for the above listed symptoms?		
Has your child been tested for COVID-19 in the last 2 weeks?		
Has your child student had close contact* with someone with a confirmed diagnosis of COVID-19 in		
the past 14 days?		
Has your child had close contact* with someone with a <u>suspected</u> diagnosis of COVID-19 in the past		
14 days?		
Has your child traveled by air or traveled out of state in the past 14 days? If yes, please contact the		
school before arriving on campus.		

<sup>\*</sup>What counts as close contact?

- Your child was within 6 feet of someone who has COVID-19 for at least 15 minutes
- Someone in your home is sick with COVID-19
- Your child had direct physical contact with the sick person (touched, hugged, or kissed them)
- Your child shared eating or drinking utensils with the sick person
- The sick person sneezed, coughed, or somehow got respiratory droplets on your child

If you answered yes to any of the above questions, keep your child home from school. Contact your medical provider for further instructions.
