About our Pre-K Program

The Tuxedo Union Free School District's Pre-Kindergarten program prepares children for school through the social, early literacy, and mathematical reasoning activities needed to be successful in Kindergarten. In our classroom, play and learning combine to develop school readiness academically while instilling a love of school in our littlest scholars.

Student Day

Tuxedo offers a **full-day** Pre-Kindergarten program starting at 8:30am and ending at 2:30pm.

In the Classroom

The Pre-K staff consists of a highly qualified Early Childhood Education teacher, Mrs. Amanda Sayles, and two classroom aides with support personnel such as a school nurse, speech therapist, and occupational therapist.

From every detail of the design of our new Pre-K classroom featuring all new furniture, toys, and supplies, to our high standards of cleanliness, we do everything to ensure our children are safe and secure. The Tuxedo UFSD has partnered and is continuously planning with the Creative Curriculum program to support the educational needs of our students.

Our Pre-K classroom is located in the George Grant Mason Elementary School in Tuxedo. The Pre-K students follow the Tuxedo School District calendar and attend school 180 days.
