

The Spring Grove Elementary Library staff would like to continue to get books to students even during full remote learning. Below is a link to information about ways to continue to use our library collection.

Holds

All students have accounts set up in Destiny and are able to place holds on books. Once a hold is placed, the book will be pulled, checked out and made available in the office. An email will be sent to the parent's email we have on file once the books are ready to be picked up.

Book Return

Books can be returned to our outside drop box located outside the main office anytime or brought into the office when picking up new holds during school hours. Any books that are returned will be quarantined for 7 days before they are put back into circulation.
