Dear PC Families,

Last week Governor Brown's Press release stated that there would be a two-week freeze for our state to comply with from November 18, 2020 through December 2, 2020. These regulations will impact many parts of our community with businesses and families.

This two-week freeze will not affect our school, employees or students. Our school will resume as we have for our schedule and all students and employees will be at school during this time. I have attached the link to the article:

If you have any questions about this, please contact the school!

Thank you and Go Panthers!
