## 5. Academic History - Mobile

The mobile version of OnCourse Connect displays grade information slightly differently than the desktop version, but it functions the same way.

The image shows a mobile application interface for viewing grades. At the top, there is a header bar with a checkmark icon, the word "Grades", and a menu icon. Below the header, the text "Science 5" is displayed. A table with two columns, "Marking Period" and "Grade", lists various periods and their corresponding grades. The table has 9 rows. The first two rows show "MP1" and "MP2" with a grade of "S". The remaining rows show "MT", "SEM 1", "MP3", "MP4", "FE", "SEM 2", and "FG" with empty grade cells. At the bottom of the screen, there are two buttons: a blue button labeled "Back To Course List" and a green button labeled "Indicators".
