-PALMYRA MIDDLE SCHOOL- Mission and Vision Statements

MISSION STATEMENT

The Palmyra Middle School believes that all students can learn at high levels.

VISION STATEMENT

- Teachers will be lead learners along with the students they teach.
- Professional development for staff will be relative to the needs of the teachers and the students.
- Through high-quality instruction students will be engaged at high levels of learning.
- High-quality curriculum, instruction, and assessment will be aligned so that essential learning outcomes are met.
- All stakeholders, including parents, teachers, paraprofessionals, administrators, counselors, and outside agencies will work together in a proactive, positive manner so that children will find success in school.
- Students will continue to learn literacy skills and apply them throughout their learning. Instructional decision making will take place using data to support a need for instructional improvement.
- Character education at the middle school will be reinforced through everyday events and opportunities.
- Successes in learning will be celebrated by the Middle School community.
