“Helping Your Child Manage Their Meltdowns” Presented by Shannan Boyorak, Regional Parent Support Coordinator Are you feeling like you are always walking on eggshells when dealing with your child’s meltdowns? (Professionals call this “dysregulation”) Are you at a loss about how to help your child to be successful? You are not alone! Join in the discussion about what meltdowns are and strategies that can be used to help your child better manage these meltdowns. Thursday, December 3, 2020 from 1-3 p.m.

I do not want to see your grin.  
I do not want to see your chin.

I do not want to see your nose.  
I should not see your lips exposed.

The lower region of your head  
Should be concealed from sight instead.

It's for **YOUR** sake  
I wear *my* mask.

Please wear one too.  
That's all I ask.
