AMBER-POCASSET COVID-19 BASKETBALL PROTOCOLS

FANS & SPECTATORS

- If you have symptoms of COVID-19 (as outlined by the CDC), or have had close contact with a positive COVID-19 patient within the past 14 days, do not attend any activities at Amber-Pocasset Schools.
- Fans are required to wear a face covering upon entering the gym and anytime they are up and away from their seat. Face coverings are encouraged at all times but may be removed while seated.
- **ALL** students and employees of Amber-Pocasset Schools are **required** to wear face coverings while in attendance, unless actively participating in the event.
- Families are encouraged to sit together, leaving six feet between their group and other guests for social distancing purposes.
- Seating capacity in the gymnasium will be limited to approximately 50% of capacity.
 - On the home side (east side) alternating rows will be roped off or marked off to prevent use.
 - Am-Po student section will move across the gym to the section directly behind the Am-Po team bench. Overflow seating for additional home fans will also be permitted in this section.
 - Visiting fans will be allowed to sit in the remaining 2/3 of the bleachers on the visitors side (west side). There is space for approximately 100 spectators to properly space apart.
- We will not have our traditional spirit line during player introductions and fans will not be able to congregate on the gym floor after the game is over.
- We also ask that fans not congregate in the lobby. At the conclusion of the games please exit the building immediately. Players will also be instructed to meet their family outside once they are released.

PLAYERS, COACHES, & CHEERLEADERS

- No handshakes during pre-game or post-game meetings.
- The rows directly behind each bench and scorer's table will be blocked off to fans.
- Each player/coach should have their own water and the visiting team should provide their own water bottles.
