Happy Thanksgiving!!

Please be safe and considerate by practicing preventive measures next week. If you plan to travel to other areas or host visitors over Thanksgiving week, you may want to quarantine your child and distance learn for 14 days after the break. Please let your teacher and front desk know ASAP so that we may accommodate your child for Distance Learning. Here is the link to the latest guidelines for Tier 1 (Purple).

Parent Conferences:

Traditionally, we schedule time for parent conferences prior to Thanksgiving week at the end of fall trimester. Because students have just recently returned from virtual learning to in-person instruction, teachers thought it would be beneficial to wait for formal conferences until the end of the 2nd trimester.

Do you want to join our Butteville School Board?

We have a spot waiting for you! If you would like to become a member of our school board and be part of a team that helps guide our school, please drop a letter of interest to the front desk. Please remember that you need to reside within our school district in order to serve on the board.

School Site Council We are looking for 3 community member/parent

volunteers to serve on the Butteville School Site Council. Each year the School Site Council works to identify and implement ways to develop and promote student

achievement. The School Site Council is organized to reflect an equal representation from the community and the school staff. Members are:

- The Principal
- One Teacher
- One Classified Employee
- Three Parents or Community Members

The School Site Council works to meet the goals specified in the District Local Control Accountability Plan (LCAP). Specific areas reflect a dedication to eight general goals.

1. To support student achievement and enrichment
2. Review and revise the Safety Plan.
3. Review, revise, and evaluate Single School District Plan for Student Achievement (SSDPSA)
4. Review and revise the Parent/Student Compact
5. Provide input on the LCAP
6. To enhance and support a positive school climate and culture for all members of Butteville Elementary School
7. To ensure that all students are fully challenged in appropriate ways and able to work in environments of high standards and strong work ethic.
8. To continue effective school and community communications regarding school achievement and programs

If you are interested in helping us meet our educational goals, please contact Eric Bragg or Len Foreman at 938-2255 or send an email to eric.bragg@butteville.k12.ca.us

Ski Club is on if the snow flies!

2020 has been pretty crazy so far, to say the least. But, skiing & snowboarding are still a possibility. Let's hope for snow & an opportunity to enjoy it. The ski park is still planning to run the school ski club program, unless there are dramatic changes with the current Covid 19 situation in Northern California.

They plan to proceed with social distancing measures in place and will continuously review the situation to determine if additional policies are needed. New school limitations will be in place, and your reply determines if we participate.

Please email buttevilleskiclub@gmail.com if you & your child(ren) would like to participate in ski club this year. Pending responses, we will move forward & plan accordingly. Thanks!
