COVID-19 Update Communication

Good evening East Palestine preschool families. This is Mr. Neifer, EPCSD Superintendent.

I wanted to provide you with some important information:

We are going to have to utilize our remote learning plan for the 3-year-old class starting on Monday, November 23rd and running through Thursday, December 3rd. Classes will resume on Monday, December 7th. This remote situation is due to preschool staff being quarantined because of exposure to COVID19. These staff members have been isolated and not in school, this entire week so no contact tracing is required at the school. The students will be sent home on Thursday, November 19th with a copy of their remote schedule and packets of materials to support their remote learning during the 5 classes that they will be remote. We will also be rearranging plans so that they can celebrate their Thanksgiving party tomorrow during class. Thank you for your continued cooperation and please call my office with any questions or concerns.

Stay safe, stay healthy, and as always GO BULLDOGS!!!
