To the Citizens of Crane County

The County and School have been in talks about the spikes in cases of COVID-19. With all the cases and the persons of contact cases at the school. We have decided it would be in the best interest of all involved to keep the school closed for classes until after Christmas Break.

For any other information, see the attached letter from superintendent Jane Hunt or contact the school at 432-558-1022.

EVERYONE PLEASE STAY SAFE OVER THE HOLIDAYS AND PRACTICE SOCIAL DISTANTING.

Thank you for your cooperation

To All Parents and Guardians:

All campuses at Crane ISD will be continuing on-line (virtual) learning until January 4, 2021 due to the COVID-19 spike. Parents, please help us by making sure your student is involved daily because these grades will be used for their semester grades. Should you have problems please email the teacher and they can help with any problem.

The number of cases are increasing and the close contact protocol is making it difficult to find substitutes to cover classes. Crane ISD would like to deep clean and sanitize all areas of the school. There will be limited activities that will continue with strict guidelines to be followed. Students will be able to return to campus on January 5, 2021 as per the school calendar. Meal Service will be available beginning Monday, November 30, 2020. To place an order for your meals please call 558-1062 by 9:00 AM. Meal service will end on December 18, 2020.

The district would like to wish a safe and happy holiday season to everyone.

Thanks for your help and concern,

Janet Hunt, Superintendent of Schools

Crane ISD
