

Marysville School District
HEALTH AND SAFETY PROTOCOLS FOR EMPLOYEES

As of November 2020

Steps for success to protect yourself and others from the spread of infection:

- Complete the online employee health screening form **before arriving at work**
Click [HERE](#) to access the form or go to www.msds25.org / For Staff / Employee Health Screening Form. Consider bookmarking the page when the form opens for easy online access.
- **If you are sick**, stay home
- When you arrive at work, **enter, sign in at the main office. If you have not completed your online screener, do so at this time. You will then required to do a temperature check.**
- **Masks are required** and will be available at the entry/sign in area

While in the building:

- Wear a mask at all times unless working alone in a closed office or classroom
- Wash hands frequently. If hand washing is not available, use hand sanitizer.
- Maintain 6' social distancing when interacting with others
- Meet in groups no larger than 6 people and practice social distancing when around others or while in the small group meeting
- Sanitize spaces and shared items between meetings
- High touchpoints will be cleaned and sanitized throughout the day
- Additional PPE will be required for staff working with students within 6'

Thank you for your cooperation and adherence to all health and safety protocols.
