Dear Families,

This letter is to inform you that your child will continue to receive individualized services under an Rtl plan for the current school year. These types of plans are available to ALL students and are used when a student shows difficulty in an area. Rtl plans follow specific interventions in math, reading, or behavior. Students receive their small group/individualized support during a specified time of day. This time DOES NOT occur during whole group instruction or specialty areas like PE or recess. These plans are reviewed three times a year and you will be given an update during those reviews. You will also receive an update during parent teacher conferences. Please know, at any time, you can ask for an update regarding the progress of this plan. The end goal is for the student to meet the needed progress which will end the plan. Listed below is the information for your students Rtl plan.
