The involvement of parents and community members is critical to the success of education here at Ryan Elementary. Members of the Ryan Elementary School, the community, and parents were involved in developing the following Parent Involvement Plan.

- PTO meetings, conferences, and workshops for parents will be held at various times during the school year.
- Parents will be given opportunities to express their views through surveys and serving on various committees.
- Parents are notified of students' performances through weekly folders, progress reports, report cards and test scores.
- Information will be given to parents to incorporate strategies to improve student performance.
- Community-based organizations and businesses are encouraged to form partnerships with the school, such as Partners in Education.
- The school will coordinate, for parents who request assistance through other agencies such as Pre-K, and etc.
- Efforts will be made to assist in transportation and childcare to enable parents to attend meetings and training sessions.
