We are an equal opportunity provider.

I have requested the below individual to retrieve meals for my children in my care and who reside in my home. I understand these meals are free of charge and are only for the kids in my care who are 3-18 years of age. I know I will be receiving 7 suppers, 7 snacks and a gallon of milk per child.

Printed Parent/Guardian Name and Phone Number

Names and birthdates of children who reside in my home and are in my care.

Names and birthdates of children who reside in my home and are in my care.

Names and birthdates of children who reside in my home and are in my care.

Names and birthdates of children who reside in my home and are in my care.

Names and birthdates of children who reside in my home and are in my care.

Names and birthdates of children who reside in my home and are in my care.

Individual allowed to retrieve meals for my children under 18

Location where meals are being picked up from

This waiver must be completed by the parent who is requesting meals to be retrieved.

Waiver will go into effect once information has been approved through program processes.

Waiver must be complete before verification process can begin.
