TO: Parents/Guardians

SUBJECT: Fully Remote Model Meal Pick-Up (ALL Students)

DATE: Friday, November 20, 2020

Due to the shift to full remote instruction for ALL students, the Tonawanda City School District's Food Service Department will also shift to full remote distribution. The district is pleased to announce that with the recent point of sale (POS) system upgrade with MOSAIC, families may now pick up meals at any location regardless of the school their child attends. Meals will be distributed for students in grades K-12 beginning **Monday, November 23, 2020.**

SCHOOL	TIME	DOOR PICK-UP
Middle/High School	10:30AM - 1:00PM	@ MS/HS Door # 3
Mullen Elementary School	10:30AM - 1:00PM	@ Mullen Door # 2
Riverview Elementary School	10:30AM - 1:00PM	@ Riverview Door # 6
Families with Students in Multiple Buildings	10:30AM - 1:00PM	@ MS/HS Door # 3

NOTE: Meals will only be provided on days that students were scheduled to be in school. Children do not need to be present. It is encouraged that families with more than 3+ children still pick up at the MS/HS location for efficient distribution.

If you have any questions or special circumstances, please contact the Food Service Department at (716) 694-7680 or email ckipa@tonacsd.org.

Thank you for your continued support of our Food Service program!

Sincerely,

Donna L. Hill
Director of Business & Finance
