Milton-Union Exempted Village Schools

November 20, 2020

Dear Students, Families, and Community Members of the Milton-Union Schools:

The district received verification that a middle school student tested positive for COVID-19. A Milton-Union High School student attending Miami Valley CTC has tested positive as well. Following Ohio Department of Health and Miami County Public Health guidelines, students, parents, caregivers, and any employees identified as close contacts have been notified directly regarding next steps. While constantly monitoring day-to-day operations, the district continues to seek and receive advice and assistance from local public health officials.

Not only will the district remain committed to safety protocols, but we will also strive to maintain the privacy of and confidentiality for students, families, and employees. We hope everyone can remain mindful of safe practices and healthy decisions among our students, staff members, parents, and caregivers both in and outside of school. As always, thank you for your continued support, understanding, and patience.

Respectfully,

Brad Ritchey, Ph.D.

District Administration
Brad Ritchey, Ph.D. | Superintendent
Kay Altenburger | Treasurer
