Dear Avon Central School Families,

The Avon Central School District is partnering with local NYS certified childcare agencies to be sure that childcare resources are provided to essential healthcare workers and first responders.

Essential health care workers may include health professionals such as physicians, nurse practitioner, physicians' assistants, registered nurses, LPN's, CNA's, and laboratory personnel. First responders may include paramedics, emergency medical technicians, police officers, and firefighters.

An additional resource that may assist in identifying childcare needs is Child Care Council Inc. of Livingston County. They can be reached at 585-654-4720, www.childcarecouncil.com.

Credentials for employment as an essential health care worker or first responder may be requested upon enrollment.

If you have any questions, please call Rob Lupisella, at 585-734-5091 or Mia Kellogg at 226-2455 extension 1320.

Sincerely,

Ryan P. Pacatte, Ed. D.
Superintendent
