

# The Itasca ISD School Health Advisory Council *Is seeking new members!*

The School Health Advisory Council (SHAC) assists the district in ensuring that local community values are reflected in the health education program. The council will address the continued implementation of a coordinate health program including health education, physical education, health services, nutrition services, counseling, healthy school environment, staff health promotion and family/community involvement.

The SHAC meets a couple of times during the school year.

*If you are interested in serving on the SHAC, please complete the application below and email or fax it to:*
