Milan Schools will be eLearning beginning Monday, November 23 and continuing the week of November 30, with an expected return date of Monday, December 7.

We are offering two ways to get meals while we are eLearning:

1. Pick up at the elementary school from 10:00-11:00, or
2. Drop off at your house if you are on a Milan bus route.

Pick up or delivery will take place beginning Monday, November 23, from 10:00 - 11:00 a.m. Then it will continue Monday, November 30, and again on Wednesday, December 2. Meal sacks will contain:

- ★ On Mondays: Monday breakfast & lunch, Tuesday breakfast & Lunch, Wednesday breakfast
- ★ On Wednesday: Wednesday lunch, Thursday breakfast & lunch, Friday breakfast & lunch

You may register all students from one household at once. The registration will be good for this period of eLearning.

Be sure to write first and last name on the form. If choosing the bus option, list the bus number.

If you request an at-home delivery, please watch for the bus between 10:00-11:00 a.m. or provide a safe and secure place for us to drop off the meal sacks.
