CHENEY SCHOOL DISTRICT “NON-RESIDENT” ENROLLMENT PROCEDURES

NON RESIDENT ENROLLMENT

Cheney School District, USD 268, recognizes the desire of some parents/guardians to enroll their children in a school other than the school district in which they live. Enrollment of non-resident students is available on a first-come, first-served, space available basis.

To apply for admission to Cheney Schools, please follow these Non-Resident Enrollment application procedures.

1. Request a Non-Resident Enrollment Application form from the Cheney USD 268 District Office if you have not already had one sent to you.
2. Complete all Non-Resident Application forms as applicable for each child you are requesting to enroll in Cheney School District. Even if your child attended Cheney Schools last year, the application still needs to be completed for the coming year.
3. Return the completed form to the Cheney USD 268 District Office at 100 W. 6th Ave, Cheney, KS 67025. Completed application must include the latest report card or progress report which includes a list of all subjects or courses enrolled in during the last semester with accompanying grades from the student's previous school (new applicants only).
4. Application will be reviewed by Administration and a decision to approve or deny the application will be made.
5. USD 268 has implemented online enrollment. If you have received notification of approval prior to the first day of school, parents/guardians may go to our online enrollment site at **<https://www.usd268.org/o/usd268/page/enrollment>**. Enrollment opens July 1.
6. Students who reside in the Cheney School district and move out of their school attendance zone during the school year must inform the school office of new status and their intent to continue or discontinue enrollment. If they wish to continue enrollment, a non-resident application must be completed.
7. The application for non-resident students must be renewed annually. Current enrollment in Cheney School District does not guarantee readmission for the next school year. Renewal will also depend on suitable academic progress and acceptable student conduct and attendance as well as a positive working relationship with parents of the non-resident student.
8. Cheney School District is a member of a Special Education Interlocal Cooperative. IEP's will be reviewed and written to align with district services, instruction, and assessments.
