The Department of Health and Environmental Control (DHEC) is partnering with GENETWORx Laboratories to bring free COVID-19 testing for all in **Newberry, South Carolina.**

WHERE	WHO	WHEN
Newberry Health Department 2111 Wilson Rd, Newberry SC, 29108	This FREE testing event is open to all Community members, families, and employees	11:00 AM – 6:00 PM Tuesday-Sunday, Starting 10/1 -12/30

Upon arrival, the collection site staff will register you for the test, receive consent from you to collect the sample and then proceed with a nasal swab collection procedure.

Once collected, the sample will be prepared to be sent to the GENETWORx Laboratory in Glen Allen, Virginia. Test results will be available within 48 hours and will be reported to you through your Aura Account. All results are protected by federal and state privacy laws;

GET TESTED. STAY SC STRONG.
