

Parents,

We have partnered with a company that will provide Chromebook insurance for students. The cost of the insurance is very modest and provides significant protection for you. The cost of the insurance is \$25 per device, and will cover the device for the remainder of the school year. The insurance will cover the following: drops, breaks, spills, manufacturer issues, hardware failure, kids picking off keys, etc. The items not covered would be lost and theft, the AC adapter, cosmetic scratches, and batteries outside the manufacturer warranty. If you elect to not take the insurance you, the parent/student, are taking on the risk of any damage caused while the Chromebook is in your possession. Any damage would be the sole responsibility of the parent/student to either repair or replace the device. Cost to replace and repair is as follows:

Estimated Costs (subject to change) The following are estimated costs of Chromebook parts and replacements: • Complete Replacement Device & Accessories- \$270.00 • Screen - \$60.00 • Keyboard/touchpad - \$52.00 • "Always-On" Protective Case - \$20.00 • Power cord - \$25.00

Please select on of the following:

\_\_\_\_\_ I elect to take the insurance for the Chromebook device. I understand insurance is limited and does not cover lost or stolen Chromebooks.

\_\_\_\_\_ I elect to not take the insurance for the Chromebook device. I understand I am taking all liability for the Chromebook and will be responsible for all costs associated with repair and lost or stolen equipment.

Sincerely,

Galatia Administrative Staff
