

Westside Consolidated School District
1630 Hwy 91 West
Jonesboro, AR 72404
870-935-7501
www.westsideschools.org

Westside School District is now offering two online services to better manage your student's school meal account. EZSchoolPay.com will give you the ability to check your student's school meal account balance online, as well as make payments with your Visa, MasterCard, Discover, or American Express credit cards, or a debit card. EZMealApp gives parents the online opportunity to fill out a free and reduced meal application online! The online application will enable parents to complete and submit the applications faster, while allowing the Westside Food Services Department to approve the applications in a timely manner.

If you would like to take advantage of any of the EZSchoolPay feature, you will need to create an online account with www.ezschoolpay.com. Getting started is easy! Visit www.ezschoolpay.com. The website will guide you to create an account and link your student(s) to the account before entering a credit/payment.

The EZMealApp can be accessed from any computer with internet capabilities at www.ezmealapp.com or at www.westsideschools.org. You only need to complete one application per household. The online application is the same as the paper application Westside School District provides. We bring this technology to our families to ensure that students receive meal benefits as quickly as possible. The online applications are secure and the application is confidential. The paper application is available at www.westsideschools.org or your school office.

USDA is an Equal Opportunity Provider and Employer.

Sincerely,

Chastidy Hedge,
Westside Consolidated School District Food Services Director
