To: Meridian CUSD #101 – Parents/Guardians, Faculty and Staff, Students and Community

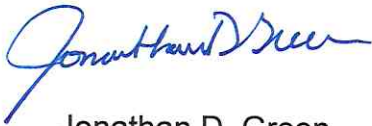

The District must remain on Remote Learning through Friday, December 4, 2020 due to staff members being quarantined and not being able to staff classrooms for our students to attend in-person. The District is forced again to make a decision which is in the best interest of our students, staff and community safety. Currently, in-person learning will resume on Monday, December 7<sup>th</sup>, 2020. It will be in our students' best interest to return for the final two weeks of the quarter to try to ensure they achieve the best grades possible.

It was proven during the 1<sup>st</sup> quarter that out of 63 students who had at least one failing grade in the high school 60 of those students were Remote Learners. In the junior high, 63 of 66 students with failing grades were Remote Learners. For our students to have the best chance to succeed we will return if possible, Monday December 7<sup>th</sup>.

Food Delivery will resume for this week and will be done via normal school bus routes on Tuesday December, 1<sup>st</sup> and Thursday, December 3<sup>rd</sup>. Buses will leave the school at 10am on both days. The school offices will be open from 8am-2pm throughout the week.

The District appreciates your efforts in this ever changing situation. We also understand the difficulties this presents in regards to child care, learning and other situations. Please take care and be safe.

Sincerely,

Jonathan D. Green  
Superintendent
