Assistant Superintendent

Tecumseh Public Schools
November 29, 2020

Tecumseh Parents,

As we complete our week for Thanksgiving break and review our plans for returning to school, we continue to see record numbers of cases of COVID-19, both locally and statewide. As we review our current numbers of positive cases and associated quarantines, we find it difficult at some of our sites to have enough substitutes to cover our classes. In addition, following the Thanksgiving break, we understand we may certainly see additional cases due to family gatherings and travel.

Because of these increases in our numbers of quarantines and the lack of available substitutes, we will continue our Virtual learning for this week, Monday, November 30th through Friday, December 4th. We will continue to monitor our number of cases throughout the week as we make decisions for the remainder of the 1st semester. Our hope is that through the extended distance learning we will see improvement in our numbers that would allow us to complete the 1st semester utilizing your selected method of instruction.

Because of our work with our virtual program, Canvas, during this first semester, we are ready to continue to provide instruction to our students in a Virtual mode. Your child's teacher will be making contact at their regular class time or as arranged by each class.

Thank you for your continued support of Tecumseh Public Schools.

Sincerely,

Tom Wilsie
