### INTRODUCTION

- 1.1 Recognition.** The Board of Education of Center Consolidated School District 26 Jt. recognizes the Center Education Association as the exclusive and sole negotiating agent for all teachers who are included in the bargaining unit.
- 1.2 Scope of Bargaining Unit.** Teachers included in the bargaining unit are all licensed full-time or part-time teachers, including librarians, special education teachers, vocational teachers and all other licensed employees whose primary assignment is non-supervisory or non-administrative in nature. Excluded from the unit are all administrative and supervisory employees, all aides and all non-licensed employees.
- 1.3 Recognition Procedures:**

- 1.3.1** During the final year of the negotiated contract, any teacher organization other than the organization then recognized by the Board of Education may file a petition with the Board requesting an election to determine the negotiating agent for the bargaining unit. The petition shall contain the signatures of at least **30%** of the persons within the bargaining unit. At the time the petition is filed, the petitioning organization shall also file a list of the names and addresses of its officers, and copies of its constitution and bylaws demonstrating that one of its purposes is to improve the working conditions of the persons in the bargaining unit, that its government and structure provide for democratic procedures and practices, that membership in the organization is voluntary, and that it does not discriminate with respect to the terms and conditions of membership because of race, creed, color, national origin, sex, or marital status.
- 1.3.2** The Board shall cause an election be held within **thirty (30)** days after the filing of the petition; provided, however, that no such election shall be held during the term of the Agreement except during the final calendar year of said term and only unless the petition is filed between **April 1 and April 15** of that year. Further, no such election shall be held within **twelve (12)** months after the date of a preceding election.
- 1.3.3** All elections shall be conducted under the applicable rules and procedures of the American Arbitration Association governing the conduct of such election. However, the impartial party supervising said election shall be an individual capable of supervising the election selected by the Board of Education to whom neither the incumbent organization nor the petitioners have a reasonable objection and who is a person who has no connection with the school district, any of its employees, the incumbent organization, the petitioners or the organization representing the petitioners.
- 1.3.4** The election ballot shall contain the name of the incumbent recognized organization, the name of the petitioning organization, and “No Organization” which may be marked by any person voting within the bargaining unit that such person does not desire to be represented by either the incumbent or the petitioning organization. In the event that no choice on the ballot receives a majority of the votes cast, a run-off election shall be held between the two choices receiving the largest number of votes. This run-off election shall be conducted and pursuant to the procedures set forth in **Section 1.3.3** and shall be held within **ten (10)** days after certification of the results of the first election.
- 1.3.5** If an organization receives a majority vote in the bargaining unit at such election, the Board shall recognize such organization as the negotiating agent for all persons in the bargaining unit for a term coinciding with the term of the successor agreement subsequently negotiated, or as provided

in **Section 1.3.7**. If recognition is lost pursuant to the process described in the Article before the expiration of the term of this Agreement, this Agreement shall expire as of the date recognition is lost.

**1.3.6** The cost of such an election shall be borne by the School District.

**1.3.7** Until such time as the incumbent organization is decertified pursuant to the procedures provided in this Article, the organization shall continue to be recognized as the negotiating agent for the bargaining unit. The Board may, however, call for election during the final year of the negotiated contract if the Association's membership falls below **fifty percent (50%)** of those eligible to be included in the bargaining unit. Such an election shall be conducted in accordance with the procedures set forth in this article. If payroll deductions do not indicate **fifty percent (50%)** membership in the Association, the Board may request and the Association shall provide a membership list.

**1.4 Definition of Terms. When used in the Agreement the following terms shall mean:**

**1.4.1 EMPLOYER:** The term "Employer" shall mean the Center Consolidated School District 26Jt., or any of its duly authorized representatives.

**1.4.2 EMPLOYEE:** The term "Employee" shall mean the professional licensed employees as included in the unit pursuant to **Section 1.2**.

**1.4.3 ASSOCIATION:** The term "Association" shall mean the Center Education Association or any of its duly authorized representatives.

**1.4.4 DAYS:** The term "days" shall mean days teachers are scheduled to work, except as otherwise specifically provided herein.

**1.4.5 AGREEMENT:** The term "agreement" shall mean any part of professional agreement.

**1.4.6 SUPERINTENDENT:** The term "Superintendent" shall mean the Superintendent of the District.

**1.4.8 HALF-TIME TEACHERS:** The Term "Half-Time" shall refer to a professional licensed employee that is employed for **seventeen hours and twenty-nine minutes** per week. This employee shall receive only **one-half (1/2)** of the employee's benefits. This employee will not have any administrative power.

**1.4.9 ADMINISTRATORS:** The term "Administrators" shall include the Superintendent, Director of Instruction, Teacher Quality Coach, Building Principals, Athletic Director and Assistant Principals.

**1.4.10 TRANSITIONAL RETIREMENT; LICENSED TEACHERS:** The term "Transitional Retirement" as used in this agreement shall refer to those licensed teachers who are officially retired, under the rules of the Colorado Public Employees Retirement Association (PERA).

## **ARTICLE 2**

### **GENERAL PROVISIONS**

- 2.1** Neither party will discriminate against any person for reasons of employment, assignment, promotion or membership on account of race, creed, color, national origin, sex, marital status, age or because of Association activities or activities protected by the constitution and Statutes of the United States or the State of Colorado.
- 2.2** This Agreement shall be construed and applied in conformance with all applicable provisions of the Constitution, Laws and regulations of the United States and the State of Colorado. The parties recognize that the Board of Education has certain powers, discretion and duties that, under the Constitution and laws of the State of Colorado, may not be delegated, limited or abrogated by agreement with any person or organization. If any provision or term of this Agreement or its application to any member of the unit shall be found contrary to law, such provision, term or application shall have effect only to extent permitted by law, but all other provisions or applications of this Agreement shall nevertheless continue in full force and effect.
- 2.3** This agreement constitutes officially adopted Board policy for the term of said Agreement, and the Board and the Association will carry out the Commitments contained herein and give them full force and effect.
- 2.4** No change, rescission, alteration or modification of the Agreement, in whole or in part, shall be valid unless the same is ratified by both the Board and the Association and endorsed in writing here on.
- 2.5** The provisions of this Agreement shall control where any conflict exists between this Agreement and Board policy, practice or writing.
- 2.6** Any individual contract between the Board and any individual teacher shall be subject to the terms and provisions of this Agreement.

## **ARTICLE 3**

### **NEGOTIATION PROCEDURE**

- 3.1** The provision of this procedure shall be used when a successor agreement is negotiated, or the terms of this Agreement are renegotiated pursuant to any reopening of negotiations as mutually agreed upon, if the Association is

recognized as the representative of the teachers.

**3.1.1** The preferred method of negotiation will be the Interest Based Strategies (IBS) process (see addendum). By mutual agreement between both parties, the remaining provisions in **Article 3** may be bypassed, excluding **Article 3.7**.

**3.2 Membership on Negotiations Committees:**

**3.2.1** The number and selection of the Association's negotiations committee shall be decided by the Association.

**3.2.2** The number and selection of the District's negotiations committee shall be decided by the Board of Education.

**3.2.3** Either party may call witnesses to present information during negotiations sessions. Either party may include the presence of a consultant to advise the committee. Only members of the negotiations committee may present proposals or counterproposals.

**3.3** Negotiations shall be conducted according to state law. Neither party shall issue releases to the news media concerning negotiations sessions, unless such releases are mutually agreed upon and the written release is approved by both parties. This shall not limit or restrict the District from making such reports to the Board.

**3.4** The Superintendent shall make available to the Association negotiation team all records of the School District which are relevant to the negotiations including, but not limited to, budget and staffing information, upon reasonable prior written request therefore. The request shall be delivered to the Superintendent and shall include a reasonably precise description of the information, records and documents. Upon receiving such request, the Superintendent shall promptly respond but in any event no later than **ten (10)** working days thereafter. The foregoing shall not be construed to impose any duty or obligations to compile information or prepare records or documents not already in existence at the time the request is made if doing so would create an unreasonable burden on the School District or its administrative staff. In those situations, the Superintendent may, in lieu of compiling the information, identify the records and documents in which the information may be contained and allow the Association a reasonable opportunity to compile the information itself. All reasonable copying costs relating to complying with the request shall be paid by the Association at the current rate.

**3.5 Initiation Procedure:**

**3.5.1** To modify this agreement or to reach a successor agreement either party may request that negotiations be initiated by submitting a request in writing to the President of the Board, Superintendent or to the President of the Association. If no such request for a successor agreement is received preceding the expiration of this Agreement, this Agreement will remain in

full force and effect until the termination date of this agreement.

- 3.5.2** Negotiations for the current year shall be limited to salaries, extra pay for extra duties and fringe benefits such as, but not limited to, insurance and any other new or existing articles proposed by each team to become effective **July 1**, to **June 30**, of the subsequent year. If agreement during the current negotiations has not been reached by **July 1**, any subsequent settlement shall be made retroactive to **July 1**. Any provision not modified in accordance with the above provisions shall continue in full force and effect in the successor agreement. If no such request for modification of this agreement or request for a successor agreement is received by either party by **May 1**, the provisions of the current agreement will remain in full force and effect until the termination date of this agreement unless earlier modified pursuant to this article, except as actions by the Colorado State Board of Education or legislature may affect this agreement.
- 3.5.3** A request shall specify with particularity what items are to be considered and suggested dates, time and locations for the initial session. A copy of a request shall be sent to the Superintendent. Items for negotiations shall include items related to wages, hours and conditions of employment.
- 3.5.4** The Superintendent shall, within **ten (10)** working days after receiving a request, arrange for the initial sessions, the date, time and location agreeable to both parties. In no event shall the first negotiations session take place later than **fifteen (15)** working days after the initial request unless mutually agreed to.
- 3.5.5** At the initial session, both parties shall submit the names of their respective negotiations committees to each other. At that initial session, both parties shall submit to the other party all of its proposals for amendments to, deletions from or additions to the Agreement which that party desires to make. The second negotiating session shall be held within **three (3)** working days following the initial session. A proposal is a suggestion of specific language to be included in the Agreement, not just a statement of a subject upon which negotiations are sought.
- 3.6 Conduct of Negotiations:**
- 3.6.1** Sessions will be scheduled at times which do not unreasonably interfere with other school activities. Sessions shall not be scheduled during the school day unless there is mutual agreement to do so. Any resulting costs or expenses to provide substitutes for the association's negotiations team shall be paid by the School District.
- 3.6.2** A time and date and the agenda for the next session will be set in writing

during each meeting. Subsequent sessions shall take place at least once per week unless mutually agreed otherwise.

**3.6.3** Either party may recess to private caucus at any time during the session.

**3.6.4** Both parties will negotiate in good faith.

**3.6.5** Each party will make every reasonable effort to submit straw designs with options that show movement towards an agreement.

**3.7 Agreement:**

**3.7.1** Tentative agreements reached during negotiations, mediation or fact finding will be reduced to writing and will have the conditional approval of both parties. However, all tentative agreements are subject to agreement on all issues.

**3.7.2** Within **ten (10)** working days after tentative agreements have been reached on all issues, the Association shall submit these tentative agreements to its membership for ratification process. Following ratification by the Association, the tentative agreements shall be submitted to the Board for ratification at an official meeting which shall take place within **ten (10)** working days of receipt by the chief negotiator to the Board of the foregoing notice of ratification by the Association. After ratification by both parties, the chief officers of the Board and the Association shall sign the ratified agreement.

**3.7.3** Tentative agreements shall become final when ratified by the Association and the Board.

**ARTICLE 4**

**IMPASSE**

**4.1** If progress cannot be made on an item that item shall be set aside by either party and other items shall be discussed. If a point is reached when no further progress can be made on any item either party may declare impasse.

**4.2** Mediation

**4.2.1** If impasse is reached, the issues in dispute shall be submitted to a mediator for the purpose of bringing the parties to voluntary agreement.

**4.2.2** The parties may mutually agree on the selection of a mediator or on the procedure for selecting a mediator.

**4.2.3** If agreement on a mediator cannot be reached within **five (5)** days of the date impasse was declared, the mediator shall be selected as follows:

- A.** The American Arbitration Association shall be requested by the moving party to furnish a panel of **five (5)** mediators from which the parties agree to select a mediator.
- B.** Each party has **five (5)** days after receiving the list of proposed mediators to strike off the names to which it objects, numbering the remaining names in order of preference.
- C.** The American Arbitration Association shall select the mediator from the preferences submitted by the parties.
- D.** If the parties fail to agree on any of the persons named, or if either party strikes all of the names on the list or if for any other reason an appointment cannot be made from the list, the American Arbitration Association shall appoint a mediator from its members without submitting further lists.

**4.2.4** If the procedure in **Section 4.2.3** is used, the parties will agree to follow the rules of the American Arbitration Association as applicable.

**4.2.5** Both parties shall share equally the cost of the mediator.

### **4.3 Fact Finding:**

**4.3.1** If mediation does not result in tentative agreement on the issue at impasse, either party may terminate mediation and direct that the disputed items be submitted to Fact Finding.

**4.3.2** If the parties cannot agree on the selection of a Fact Finder, the procedure as outlined in **Section 4.2.3** shall be used for selecting a Fact Finder.

**4.3.3** The Fact Finder shall have the authority to hold hearings, make procedural rules, call witnesses and hear sworn testimony. All individuals called as witnesses by the Fact Finder or the parties who participate in the Fact Finding just in that capacity shall be released without loss of pay.

**4.3.4** Within a reasonable time after conclusion of Fact Finding hearings (but no longer than **fifteen (15)** days) the Fact Finder shall issue a report in writing to the Board and the Association. In that report, the Fact Finder shall set forth his/her findings of fact, recommendations and rationale on the issues submitted. His findings shall be advisory only and binding neither on the Board or on the Association.

- 4.3.5** Within **five (5)** days of receiving the report of the Fact Finder, the parties shall meet to discuss the report.
- 4.3.6** The costs of the Fact Finder shall be shared equally by the parties.
- 4.4** If the mediator or Fact Finder schedules hearings during the school day, Association representatives shall be released without loss of pay. The Association shall be responsible for the cost of any substitutes the District must hire as a result of the release of the Association Representatives.

## **ARTICLE 5**

### **GRIEVANCE PROCEDURES**

#### **5.1 Definitions:**

- 5.1.1** A grievance is a claim by an Employee, a group of Employees or the Association that there has been a violation, misinterpretation or misapplication of any of the provisions of this Agreement.
- 5.1.2** An “Aggrieved person” is the person or persons or the Association making the complaint.

- 5.2 Purpose:** The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may arise affecting Employees. Both parties agree that these proceedings will be kept confidential as may be appropriate at any level of the procedure.

#### **5.3 Employee and Association Rights:**

- 5.3.1** An Employee shall be free to resolve individual complaints, with the employer, without Association representation providing the adjustment is consistent with the terms of the Agreement and providing the Association receives a copy of any such adjustment. An Employee’s right to have Association representation at any level of this procedure shall not be denied.
- 5.3.2** Every Employee covered by this Agreement shall have the right to present grievances in accordance with these procedures. However, when two or more Employees covered by this Agreement have individual grievances arising from the same occurrence or event, such Employees shall not have the right, the Association shall have the right to present such grievances together, as grievant in accordance with these procedures.

**5.3.3** Grievances affecting more than one building may be filed directly with the Superintendent. Grievances of a time sensitive nature, as mutually agreed upon by the Association President and Superintendent, may be filed directly with the Superintendent.

**5.3.4** No reprisal shall be taken against any Teacher, Association representative or other participant in the grievance procedure by reason of such participation.

#### **5.4 Time Limits:**

**5.4.1** The failure of an Employee or the Association, to initiate or appeal a grievance to the next level within the prescribed time limits shall act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. All time limits consist of school days, except that when a grievance is submitted less than ten days before the close of the then current school term, every effort will be made to resolve the grievance within thirty calendar days. If the grievance is not resolved within thirty calendar days, all remaining time limits with respect to that grievance shall be calculated from the first day of school of the following academic year and all days shall be calendar days. Time limits, however, may be extended by mutual agreement.

**5.4.2** It is agreed that any investigation or other handling or processing of any grievance by the grievant shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grievant. Level three hearings may, however, be held during the school day if requested by the Arbitrator. In such instances, the grievant(s) and necessary witnesses shall be released without loss of pay.

#### **5.5 General Principals for Resolution:**

An attempt shall be made to resolve any grievance in informal, verbal discussion between grievant and his/her immediate supervisor or Principal.

**5.5.1 Level One:** If the grievance cannot be resolved informally, the grievant shall file the grievance in writing in the form of **Grievance Report Form "A"** attached hereto and, at a mutually agreeable time, discuss the matter with his/her immediate supervisor or Principal. The written grievance shall state the nature of the grievance; misinterpreted or misapplied; and shall state the remedy requested. The filing of the formal, written grievance at Level One must be within twenty days from the date of the occurrence or event, or from the time the Employee became aware or should reasonably have become aware of the occurrence or event giving rise to the grievance. The principal or his/her designee shall make a decision on the grievance

and communicate it in writing, including the reasons for the decisions, to the Employee, the Association and the Superintendent within five days after receipt of the grievance. The Employee shall acknowledge receipt of a copy of the written decision of the Principal or his/her designee on the Grievance Report Form by the Employee's signature.

**5.5.2 Level Two:** In the event the grievance has not been satisfactorily resolved at Level One, the grievant shall file, within five days of the Employee's receipt of the Principal's or his/her designee's written decision at Level One, a copy of the grievance with the Superintendent. Within seven days after such written grievance is filed, the grievant and the Superintendent or designee shall meet to attempt to resolve the grievance. If the grievance is not satisfactorily resolved by such meeting, the Superintendent or designee shall make a decision on the grievance and communicate in writing, including the reasons for the decision, to the Employee, the Association and the Principal or designee within five days following the Level Two meeting. The Employee shall acknowledge receipt of a copy of the written decision of the Superintendent or designee on the Grievance Report Form by the Employee's signature.

**5.5.3 Level Three:** If the grievance is not resolved at Level Two, the grievant shall file, within five days of the Employee's receipt of the Superintendent's written decision at Level Two, a copy of the grievance with the President of the Board of Education. Within seven days after such written grievance is filed, the grievant and three members of the Board of Education shall meet to attempt to resolve the grievance. If the grievance is not satisfactorily resolved by such meeting, a member of the Board shall make a decision on the grievance and communicate in writing, including the reasons for the decision, to the Employee and the Association within five days following the Level Three meeting. The Employee shall acknowledge receipt of a copy of the written decision of the Board on the Grievance Report Form by the Employee's signature.

**5.5.4 Level Four**

**A.** If the grievance is not resolved at Level Three, there shall be available upon written demand of the Association a fourth level which shall be arbitration. Any such demand for arbitration shall be submitted by the Association, in writing, on behalf of the Association and the grievant, to the Superintendent within fifteen days of receipt by the Association of the Level Three written decision of the Superintendent. The Arbitrator shall be selected in the same manner as a mediator is to **Section 4.2.3 of Article 4.**

**B.** Arbitration hearings shall commence within thirty calendar days following the appointment of the Arbitrator unless

extended upon motion of the Arbitrator or upon motion of either of the parties granted by the Arbitrator upon good cause shown. The Arbitrator will issue a report simultaneously to the Board and Association within a reasonable time after the close of hearings, submission of post hearings briefs, if any, submission of a transcript of the hearing, if any, or, in the event oral hearings have been waived, then from the date the final statements and evidence are submitted by the parties.

C. The arbitrator's report shall set forth the Arbitrator's findings of fact, reasoning, conclusions and recommendations concerning the grievance. The Arbitrator's report shall be consistent with the law and the terms of this Agreement. The report shall be binding on the Board and the Association. If a question arises as to the validity of arbitration, such question will be ruled upon by the Arbitrator selected to hear the dispute. The parties shall be bound by the rules and procedures established by the American Arbitration Association.

- 5.6** The grievance procedures shall be the exclusive process for resolving complaints on all matters defined in Section 1 of this Article.
- 5.7** Arbitration reports involving the provisions of this Agreement relating to evaluation, transfers and reductions in force shall be advisory only and binding neither on the Board nor on the Association. In these cases the grievance procedure shall not be the exclusive process for resolving complaints on all matters involved. Arbitration shall not be available for grievances relating to teacher dismissals and teacher contract non-renewals.
- 5.8** **Expedited Advisory Arbitration.**
- 5.8.1** In lieu of the Level Three arbitration procedure described in **Section 5.5.4** above, arbitration of grievances concerning transfers (**Articles 17 through 19**) evaluations (**Article 20**), and reductions in force (**Article 22**) expedited advisory arbitration shall be available upon written demand of the Association submitted to the Superintendent within the fifteen day period required under **Section 5.5.4**. Arbitration under this **Section 5.8** shall be conducted in accordance with the "Expedited Labor Arbitration Rules" of the American Arbitration Association then in effect.
- 5.8.2** The parties shall mutually select a panel of five arbitrators who have agreed in advance to serve as a Panel, and to operate under the American Arbitration Association Expedited Arbitration Procedures and time lines therein. Individual arbitrators shall be appointed from this Panel by the parties as appeals arise. The parties agree to the principle of appointing

one arbitrator to hear a group of appeals occurring simultaneously in order to further expedite the process.

**5.8.3** The Arbitrator's authority shall be to determine whether the District misinterpreted, misapplied or violated the criteria or procedures of **Article 17 and 19** if the grievance concerns a transfer, **Article 20 if an evaluation or Article 22 if a reduction in force** and the remedy shall be solely the referral of the issue to the parties for resolution consistent with the Arbitrator's award.

**5.8.4** Upon receipt of the Expedited Arbitration Award pursuant to the American Arbitration Association Procedures, the Board of Education shall act upon the Award within ten (10) working days of its postmarked date or such Arbitrator's decision shall become final.

### INSERVICE TRAINING

The parties recognize that improvement of instruction and Professional Staff Development are shared responsibilities necessary and of benefit to the educational program of the School District and to teachers and individuals. In order to foster the attainment of these responsibilities, the parties will cooperate in the following activities:

- 8.1 Professional Staff Development:** Shall be defined as anything that enhances a teacher's professional growth. This includes inservices, conferences, workshops and visitations to other educational institutions which relate to the staff member's current or future position.
- 8.2 Required Participation:** The Board may provide for and require attendance of teachers at inservices, workshops, conferences, further education, and programs designed to improve the quality of instruction held during the normal school day. See Article 10.6.
- 8.3 Voluntary Participation:** The District administration, in cooperation with teaching staff members and building administrators, may investigate the need for and arrange for desirable courses, workshops, conferences, and programs designed to provide opportunities for Professional Staff Development and improvement of instruction which will be held at times other than the normal school day. Teacher participation in these activities will be voluntary.
- 8.3.1** Compensation for District mandated additional days of service, beyond the 158 day contract year, shall be calculated at the per diem rate of the individual teacher (1/158<sup>th</sup> of the year's salary/ by the day of

service). Any day beyond the 158<sup>th</sup> contract day must be approved by the Association negotiation committee.

**8.3.2** District mandated additional days of service shall be defined to include workshops, inservice training, and/or seminars required by the District providing information or skills the employee will be expected to implement in the classroom, on lesson plans, on evaluation and/or any other criteria for the current or following year.

**8.4 Professional Leave:** Short leaves of absence may be granted at the discretion of the building principal for the following reasons: school visitation or attendance at meetings of value to the children and patrons of the School District, conferences, and evaluation committees. If the School instigates the leave, the school will pay all expenses. If the Employee requests the leave, the Principal has the authority to approve or disapprove the leave. The Principal may also approve payment of all expenses of the Employee, in such instances, or require the Employee to pay their own expenses while the District pays the Employee's salary and substitute, if required.

**8.5 Notification:** Each principal is responsible for seeing that every teacher gets a copy of the early release Professional Staff Development calendar at the start of the school year. The annual calendar will indicate the use of early release Professional Staff Development times and what the inservices will be about. Changes will be with sufficient notice of ten (10) working days (extenuating circumstances excluded).

**8.6 Inservice Planning:** Inservice activities will be planned in consultation with building faculty and administrators, or through an alternative building level process which encourages ongoing input from the entire faculty. Professional Development activities will be planned based on the needs identified by the faculty/board and administration, which are devoted to the improvement of professional skills and educational programs. A reasonable effort will be made to plan the inservice activities at least one year in advance and in conjunction with the school calendar.

**8.7 Early Release:** Early release time will be reserved for the sole purpose of Professional Learning Community meetings. In addition, building administrators must be sure that staff members do not lose planning time (in relation to that of other staff members) due to the early release schedule.

### FAMILY AND MEDICAL LEAVE ACT

The Family and Medical Leave Act of 1993 (FMLA) was enacted on February 5, 1993. The law went into effect on August 5, 1993 for most employers. If a collective bargaining agreement (CBA) is in effect on that date, the Act becomes effective on the

Expiration date of the CBA or February 5, 1994, whichever is earlier.

The U.S. Department of labor's Employment Standards Administration, Wage and Hour Division, administers and enforces FMLA for all private, state and local government employees and some federal employees.

FMLA entitles eligible employees to take up to 12 weeks of unpaid, job protected leave each year for specified family and medical reasons. An eligible employee's right to FMLA leave begins on August 5, 1993; any leave taken before that date does not count as FMLA leave.

The law contains provisions on employer coverage; employee eligibility for the law's benefits; entitlement to leave, maintenance of health benefits during leave, and job restoration after leave; notice and certification of the need for FMLA; and protections for employees who request or take FMLA leave. The law also requires employers to keep certain records.

### Employer Coverage

FMLA applies to all:

- public agencies, including state, local and federal employers, local education agencies (schools) and
- private-sector employers who employed 50 or more employees in 20 or more workweeks in the current or preceding calendar year and who are engaged in commerce or in any industry or activity affecting commerce-including joint employers and successors of covered employers.

### Employee Eligibility

To be eligible for FMLA benefits, an employee must:

- (1) work for a covered employer;
- (2) have worked for the employer for a total of at least 12 months;
- (3) have worked at least 1,250 hours over the previous 12 months;
- (4) work at a location where at least 50 employees are also covered by the employer within 75 miles.

Most federal and certain congressional employees are also covered by the law and are subject to the jurisdiction of the U.S. Office of Personnel Management and the Congress.

### Leave Entitlement

A covered employer must grant an eligible employee up to a total of 12 workweeks of unpaid leave during any 12 month period for one or more of the following reasons:

- the birth or placement of a child for adoption or foster care;
- to care for an immediate family member (spouse, child or parent) with a serious health condition; or
- to take medical leave when the employee is unable to work because of a serious health condition.

Spouses employed by the same employer are jointly entitled to a combined total of 12 workweeks of family leave for the birth or placement of a child for adoption or foster

care, and to care for a parent (but not for a parent-in-law) who has a serious health condition.

### **EMPLOYEE EVALUATION**

- 20.1** The purpose of Certified Employee evaluation is twofold:
- A.** To improve instruction through the assessment and support of quality teaching performance in order to help teachers to effectively meet the needs of the students in their charge.
  - B.** To serve as the primary factor for the determination of continuation of employment.
- 20.2** As per the requirements of state law, Certified Employees shall be formally evaluated on their performance of assigned duties during each school year. All Certified Employees shall receive preliminary evaluation feedback from their direct supervisor by Feb. 1<sup>st</sup> of each year.
- 20.3** Within four weeks after the beginning of each contract year, the District shall acquaint each Certified Employee with the District evaluation procedures, standards and instruments. Each Certified Employee shall be advised as to the member of the administration who will evaluate his/her performance. The purpose of this orientation will be to achieve mutual understanding of the evaluation system by all parties. No evaluation of a Certified Employee shall take place until that Certified Employee has been advised of the procedures, standards, instrument, and assigned Evaluator as required above.
- 20.4** The Evaluator shall have at least two face-to-face meetings with the Certified Employee prior to submitting the final evaluation to the Certified Employee and the District.
- 20.4.1** The Evaluator shall conduct a minimum of 4 per semester walkthrough observations of Probationary Certified Employees and a minimum of 2 per semester walkthrough observations of Non-Probationary Certified Employees in order to determine the final effectiveness rating of the Certified Employee, written feedback on the observation must be given, in a timely manner, for the observation to be considered.
  - 20.4.1.1** By February 1<sup>st</sup>, and on an annual basis, teachers will be required to refine their Measures of Student Learning Calculator based on their current teaching position, and to have that approved by their building administrator.

**20.4.2** In the event the Evaluator determines a Certified Employee to be Ineffective regarding a particular teaching standard, the Evaluator shall document in writing what the concerns are and what the Certified Employee may do, in the opinion of the Evaluator, to correct deficiencies that led to this determination. In addition, in the event the Evaluator deems a Certified Employee to perform at the Highly Effective level in the area of a particular teaching standard, the Evaluator shall document in writing what led him or her to this conclusion.

**20.4.2.1** If the Certified Employee disagrees with the Evaluator's determination, He or She may submit a written statement explaining why they disagree with the Evaluator's determination and this statement will become part of the record of evaluation for the Certified Employee.

**20.4.2.1** A Certified Employee may request an alternate Evaluator if there is clear evidence of conflict with his/her assigned evaluator that cannot be resolved. The determination to take this action shall be upon mutual agreement of the Superintendent of Schools and the Association President.

**20.5** Final evaluation results shall be provided in writing, preceded by numerous on-the-job evaluation observations of the Certified Employee's performance, as well as annual student performance growth evidence. All evaluations of a Certified Employee shall be conducted with the full knowledge of the Certified Employee.

**20.5.1 End-of-Year Review:** The evaluation cycle officially ends on May 31<sup>st</sup>. Three weeks prior to the end of the evaluation cycle, the evaluator and educator being evaluated should discuss professional practice ratings and measures of student learning/outcomes, artifacts and any other evidence needed to confirm the accuracy of ratings. If an educator is on course for receiving a rating of ineffective, this meeting must take place in time to allow for the 45 day appeals process to finish by the May 31<sup>st</sup> deadline. A written appeal must be made by the non-probationary educator within the fifteen day window after receiving their final evaluation rating. However, if an educator is on course for receiving a rating of ineffective for a 2<sup>nd</sup> consecutive year resulting in loss of non-probationary status and possible non-renewal, this meeting must take place in time to allow for the 45 day appeals process to finish by the [May 31<sup>st</sup>](#) deadline. These time requirements may be waived by mutual agreement of both the teacher and the district.

**20.5.2 Final Performance Evaluation Rating:** No later than two weeks prior to the end of the evaluation cycle, if the evaluator and educator being evaluated did not agree on the final effectiveness rating they should jointly review additional evidence to help each other understand their respective positions on rating levels. The purpose of this meeting is to come to agreement. If agreement is not reached, the supervisor of the educator is responsible for determining final ratings on professional practices, measures of student learning outcomes and overall

effectiveness. By May 31<sup>st</sup>, all decisions on final effectiveness ratings will be decided. On June 1<sup>st</sup>, all certified staff will roll into contract for following year.

### **20.5.3 Appeals Process: Non-Probationary Teachers**

**20.5.3.1** The grounds for an appeal shall be limited to the following:

- The evaluator did not follow evaluation procedures that adhere to the requirements of statute, rule and master agreement, and that failure had a material impact on the final Performance Evaluation Rating that was assigned (e.g., an observation was never completed or feedback was never shared with the teacher); and/or
- The data relied upon was inaccurately attributed to the teacher (e.g., data included in the evaluation was from students for whom the teacher was not responsible).

**20.5.3.2** The following requirements shall apply to the appeal process for non-probationary teacher to appeal a second consecutive Performance Evaluation Rating of “Ineffective” or “Partially Effective”. A teacher shall lose non-probationary status after receiving two end of year consecutive ratings of either ineffective or partially effective.

**20.5.3.3** The teacher is permitted to appeal the second consecutive year Final Effectiveness Rating of ineffective or partially effective. The teacher filing an appeal shall include all grounds for the appeal within a single written document. Additional evidence shall be submitted at the time of the appeal, and given to the appeals committee. Any grounds not raised at the time the written appeal is filed shall be deemed waived. These additional evidences shall be considered as part of the appeal.

**20.5.3.4** The appeal process shall allow for a final determination of the appealing teacher’s Performance Evaluation Ratings and a final determination of whether that teacher retains non-probationary status; it shall not serve the purpose of determining employment and/or termination.

**20.5.3.5** The appeal process shall be voluntary for the teacher and initiated only if the teacher chooses to file an appeal. The appeal process shall allow the non-probationary teacher to appeal the rating of ineffectiveness to the Superintendent or designee and shall place the burden upon the non-probationary teacher to demonstrate that a rating of “Effective” was appropriate.

#### **20.5.4 Appeals Review Panel**

- 20.5.4.1** The Appeals Review Panel shall serve in an advisory capacity to the Superintendent or designee. The Superintendent or designee shall be the final decision-making authority in determining the teacher's final Performance Evaluation Rating.
- 20.5.4.2** The Appeals Review Panel shall be comprised of members who were not directly involved in the evaluation process for the appealing teacher.
- 20.5.4.3** The selected Appeal Review Panel members and alternates shall be trained so as to ensure credibility and expertise of the panel members. The panel shall be comprised of two (2) teachers selected by the Association President and two (2) administrators selected by the district. No more than four (4) panel members shall comprise the panel.
- 20.5.4.4** The appealing teacher shall be given the opportunity to address the review panel and provide evidence to the review panel in person or in writing. The review panel shall review any written information provided by the appealing teacher prior to the meeting to render a recommendation.
- 20.5.4.5** The Appeals Review Panel may invite the teacher or the teacher's evaluator to present in person or in writing where clarification is necessary; however, the teacher and evaluator shall have the right of refusal without prejudice.
- 20.5.4.6** In order to overturn a rating of ineffective or partially effective, the panel must unanimously find that the rating of ineffective or partially effective was inaccurate. If the review panel is not unanimous, they shall submit the majority opinion and minority opinion to the Superintendent or designee.
- 20.5.4.7** A teacher may have union representation during the appeals process and during the appeals hearing.

#### **20.5.5 Other Considerations**

- 20.5.5.1** Any documents and/or recorded proceedings related to the appeal process shall be confidential and a copy made available to the teacher.
- 20.5.5.2** The Superintendent or designee shall be the final decision-making authority in determining a teacher's final Performance Evaluation

Rating and whether a non-probationary teacher shall lose his or her non-probationary status. The Superintendent or designee shall provide a written rationale for the final determination and must be submitted to the educator and the Association President within ten (10) days of the final rating.

**20.5.5.3** The appeal process shall be the final determination in regard to the final Performance Evaluation Rating and loss or retention of non-probationary status. There is no appeal of the final decision.

**20.5.6** If the Superintendent or designee determines that a rating of ineffective or partially effective was not accurate but there is not sufficient information to assign a rating of effective, the teacher shall receive a “no score” and shall not lose his or her non-probationary status. However, if in the following academic school year that teacher receives a final Performance Evaluation Rating of ineffective or partially effective, this rating shall have the consequence of a second consecutive ineffective rating and the teacher shall be subject to loss of non-probationary status. The teacher may choose to file an appeal.

**20.6** A copy of the written evaluation shall be signed by both parties with a copy given to the Certified Employee and one placed on file at the District office. The Employee’s signature does not necessarily indicate agreement with the evaluation but rather awareness of the content.

**20.7** The Certified Employee shall have the right to submit, within fifteen days after receiving an evaluation report, a response for inclusion in his/her personnel file or other written statement regarding any evaluation. The file copy of such response shall be signed by both the Certified Employee and Evaluator to indicate awareness of content.

**20.8** Each Employee shall have the right to review the contents of his/her personnel file other than letters of reference. No separate file shall be kept which is not available to the Certified Employee’s inspection.

**20.9.1** Any complaints directed toward a Certified Employee, which are placed in his or her personnel file, are to be promptly called to the Employee’s attention in writing. The Certified Employee shall have the right to reproduce, at their own expense, any of the contents in his/her file except for letters of reference.

**Note:** With the passage of SB 191-10 it is understood there are many rules yet to be established regarding the requirements of teacher evaluation and this Article is in no way intended to override requirements set in statute or rules yet to be adopted by the State Board of Education.

## ARTICLE 22

### REDUCTION IN FORCE

- 22.1** The Board of Education and the Center Education Association agree that the Board of Education may cancel the employment contracts of Teachers without penalty to the District when the Board, in its sole discretion, and through written notification to the Association determines there is a justifiable decrease in the number of teaching positions within a particular licensure area.
- 22.2** Prior to the reduction of any full-time teaching staff positions, the District shall first minimize any necessary reductions through the following procedures in the order set forth below:
- A.** Natural attrition.
  - B.** Examination of all Paraprofessional Employees.
  - C.** Canceling contracts of Teachers employed under letters of authorization, where a qualified Teacher is available on staff.
  - D.** Canceling contracts of part-time Teachers, where a qualified Teacher is available on staff.
- 22.3** If the procedures in **Section 22.2** are not sufficient to prevent a reduction in full-time positions, the employment contracts of Teachers within a particular licensure area may then be canceled in the reverse order of such Teacher's seniority in the District. The Board will provide written notification to the Teacher affected on or before **May 15** of that academic year, whenever possible.
- A.** A Teacher may have his/her employment contract canceled during the contractual period when there is a justifiable decrease in the number of teaching positions. When a justifiable reduction in the number of teaching positions within a particular licensure area occurs, the employment contracts of probationary Teachers, who are occupying such positions, shall be canceled first (see C.S.L. statue 22-63-203(3).) A Teacher's seniority shall be established by the date on which such Teacher executed

their original Teacher's contract. In the event that two or more Teachers within a particular licensure area bear the same date of acceptance, the Teacher with the more superior evaluations or academic preparation shall be deemed the more senior Teacher.

- B.** A license as defined by the Colorado Educator Licensing Act of 1991 is an authorization from the state to practice your profession much like other professionals are licensed. Both a certificate (under the former law) and a license (under the new law) demonstrate that you have completed a Teacher education program and demonstrated the professional knowledge that is prescribed by the law.
- 22.4** For the purpose of this Article a Teacher is deemed qualified in a licensure area if said Teacher has a license in that area, or meets State Accreditation Requirements, or has a Vocational Credential, or has authorization to work on obtaining a Vocational Credential in that area, or meets the definition of Highly Qualified as defined by the NCLB Act.
- 22.5** Any Teacher, probationary or non-probationary, whose position is eliminated as a result of a reduction in force, shall be given the opportunity to transfer to another position in a different level or licensure area or field occupied by a less senior Teacher if the Teacher is qualified for that position. Transfer will only occur if it does not result in the assignment of the Teacher to a position of employment for which he/she is not qualified by virtue of academic preparation and licensure (see C.S.L. statute 22-63-206(1).)
- 22.6** When positions again become available in the District, they shall first be offered to those qualified faculty members whose contracts were canceled last and running in reverse chronology through the list of those whose contracts were canceled first, provided current addresses have been filed with the District. This shall be valid up to two academic school years beginning with the upcoming school year
- 22.7** A Teacher whose employment has been terminated shall be offered a letter of intent at least fifteen days prior to the date of reemployment, provided resignation can be negotiated with any other Employer, otherwise he/she will be allowed thirty days. The faculty member shall accept or reject the position within ten days of notification. All contracts shall conform in every way with the provision of this Agreement.
- 22.8** The temporary separation will not affect any fringe benefits previously earned or benefits to be earned when reemployed. All accrued benefits, salary steps and educational steps shall be restored to the Teacher. The three school years of continuous employment required for the probationary period shall not be deemed to be interrupted by the reduction in force of a probationary Teacher upon their return (see C.R.S. 22-63-203).

Students shall be expected to follow these guidelines and the administration shall enforce such school rules and regulations. The following procedures are recommended for building adoption.
- 23.2** The Board recognizes its responsibility to give all reasonable support and assistance so that Teachers can maintain control and discipline while engaged in their duties and responsibilities as Teachers.
- 23.3** The Teachers recognize their responsibility to consistently challenge inappropriate behavior and strive to uphold the Student Discipline Plan of the District.
- 23.3.1** When a student is referred for disciplinary action, the referring Teacher shall transmit a referral to the Principal or appropriate personnel. This referral shall include:
- A.** A brief overview of the student's behavior and reasons for such behavior as are known to the Teacher.

The amount to be deducted will be the amount certified by the Association to the Board as applicable annual dues.

**24.6** It shall be the responsibility of the Association to inform its members of the procedures for payroll deduction of employee Association dues upon receipt of a properly executed authorization card provided by the Association. The employer will deduct Association dues from the employee's salary. The employer will deduct only Association dues, but not any initiation fees, special assessments, back dues, fines or similar items, from the employee's paycheck. Authorization cards for dues deduction must be submitted to the employer's business agent no later than thirty days prior to the first requested deduction. The effective date of all deductions shall be the second payroll following the submission of the authorization card for the dues deduction.

**24.7** Pursuant to a deduction authorization, the Board shall deduct one-twelfth of the total dues from the regular salary checks of the employee each month for twelve months, beginning in **September** and ending in **August** each year.

**24.8** Dues deduction requests made after September shall be divided evenly among the remaining months of the employee's contract.

**24.9** The Association agrees to indemnify and hold harmless the Board, each individual Board member, and all administrators against any claims costs, suits, or other forms of liability arising out of the application of the provisions of the Agreement for dues deductions.

- 24.10** Employee dues authorization cards shall continue in effect from year to year unless revoked in writing by the member between **June 1** and **September 1**.
- 24.11** The Employer shall have thirty days from the date of the Employee Dues Deduction Request to remit the same to the Association.
- 24.1 2** Any Employee who has authorized payroll deductions under the terms of this Article and who resigns from the District will have the balance of his/her annual dues deducted by the Board from his/her last paycheck unless said Employee revokes his/her membership during the revocation period provided in this Article.

## **ARTICLE 25 BUILDING LEADERSHIP TEAMS**

The elementary and middle high school administrators will create Building Leadership Teams for the sole purpose of establishing academic goals and improvement processes in conjunction with the requirements of the Building Accreditation Process.

These Building Leadership Teams should represent a good cross section of each building's staff population.

An example of the composition of each team might be as follows:

### Elementary

1 Pre-K through Grade 1 Teacher  
1 Grade 2-3 Teacher  
1 Grade 4-5 Teacher  
1 Specials Teacher  
1 Paraprofessional  
Building Administrators

### Middle/High

1 Language Arts Teacher  
1 Math Teacher  
1 Science Teacher  
1 Social Studies Teacher  
1 Elective Teacher  
1 Paraprofessional  
Building Administrators

Persons should be considered to serve on these committees based on their leadership qualities and influence among the building staff. No one will be required to participate if they choose not to do so.

Each committee will have at least one person serving who is a current member of the Center Education Association.

All leadership team nominees must be approved by the Superintendent by August 15 of each school year. Each BLT should meet at least once per quarter with a main responsibility being to plan the agenda for each in-district Professional Learning Community session and to plan for overall instructional improvement.

Minutes of all meetings will be distributed to all building staff **via email** within one week of each meeting.

Each spring, the Building Leadership Teams will follow this prescribed Improvement Cycle:

By spring break, of each school year, and by using School and District Performance Frameworks, each BLT will review their data, brainstorm areas of focus, and identify things we need to stop doing and report these items to the District Leadership Team. By mid-April the District Leadership Team will also look at SPF and DPF data, brainstorm areas of focus, and identify things the district needs to stop doing. At this time the District Leadership Team will assign the development of action plans to each Building Leadership Team around each targeted area, to be completed by the first of May.

The District Leadership Team will finalize the district improvement plan each year by the first of June and the superintendent will propose a budget aimed at to achieving such targeted improvements.

### **Salary Benefit Grandfather Clause**

As of the 2014-15 contract year certified employees who traditionally have not participated in the district provided health plan, and who have evidence of health coverage meeting the requirements of the Affordable Healthcare Act in an alternate plan, can have their placement on the salary schedule adjusted to a dollar amount reflecting the cash benefit they would have received annually. Should such employees choose to enroll in the district provided health plan at some future date, their placement on the salary schedule will be adjusted back to the step best reflecting where they began, taking into account additional years served and steps earned.

An employee's decision to participate in this provision must be made by June 15, 2014.

No new employee, employee who is currently covered by the district provided health plan, or employee who ever becomes covered by the plan, can qualify under the provisions of this option.

This provision will remain in effect for the remainder of each employee's

employment with the school district that traditionally has not participated in the district provided health plan, and who has evidence of health coverage meeting the requirements of the Affordable Healthcare Act in an alternate plan.

### **COACHING PERSONNEL**

#### Philosophy Statement

We believe it is in the best interest of our students and programs to give prime consideration to staff members when head and assistant coaching positions are being filled.

- 31.1** Coaching personnel, in accordance with the Colorado High School Activities Association (hereafter referred to as CHSAA) who assume full responsibility for students under their direction for supervision and instruction shall be either:

**A.** A licensed teacher holding a current certificate or license by the Colorado Department of Education; or

**B.** A coach registered with CHSAA.

**31.2** Coaching personnel, both the head coach in a sport and a minimum of one of the assistant coaches, will be certified coaches in accordance with CHSAA. Each additional assistant coach, although recommended to be a registered certified coach, would be prohibited from direct supervision and instruction unless certified.

**31.2.1** All coaching personnel shall receive a job description upon assignment

and will be evaluated per assignment each school year.

**31.2.2** The evaluation will clearly state whether the coach will be recommended for renewal in their position, or the position will be opened and the coach is welcome to re-apply, or the coach will not be recommended for the position in the following year.

**31.3** A poll of all staff members shall be conducted each spring to determine staff member interest in head and assistant coaching positions. Head coaching assignments shall be appointed from school staff when a non-biased hiring committee supports such hiring. Notice of head coaching assignments will be given as soon as possible for each sport, but no later than the first day after the July school board meeting.

**31.3.1** The hiring committee will consist of: Athletic Director, 2 parents, a current Head Coach and a non-coaching staff member.

**31.4** All interested staff members will be considered as assistant coaches. Assistant coaches will be recommended by the head coach and approved by the Board as soon as possible for each sport. Additional assistant coaches may be hired when the participants exceed 17 at the time of the first scheduled contest, with one as needed coach hired for every 10 additional participants thereafter **when verified by the Athletic Director**. At the high school level, the 4<sup>th</sup> coach hired into a program will be deemed a “Special Assistant” to be paid at the rate defined in Article 31, appendix D. Up to 2 managers may be figured into the total count of participants in a program for each sport.

**31.4.1** Participation levels for each sport will be re-evaluated and verified by the Athletic Director at the mid-way point of each season and should the program show that there are not enough participants to justify the continued employment of additional coaches, those coaches will be released from employment and paid ½ of their coaching salary for services rendered. *The mid-way point is defined as the half way point between the first practice allowed according to CHSAA rules and the day of the last scheduled competition.*

**31.5** Each High School sport will have a head coach and a number of assistants pursuant to Section 32.4 and Appendix C of this Article. Middle School coaches will follow the philosophy used by the High School head Coach of the same sport.
