

We continue to make progress on a number of items off the strategic plan. The Board approved a K-12 art teacher for next school year at the last board meeting. Our mass communication is now through Thrillshare/Apptegy. The student information system will transition from Tyler Technologies to Infinite Campus this summer. We are currently working behind the scenes with Infinite Campus with all the preparation work. A shout out to Nicole Arand, from [Sharp Custom Painting](#), for her work painting the ceiling of our foyer with the [Bronco](#) logo. While Nicole was painting the ceiling, GariLynne Reed added some school colors replacing the brown on the walls with our Bronco purple. They both did a great job at giving our foyer a facelift. We are exploring utilizing [Frontline Education Software](#) to help us be more effective and efficient in the area of human resources, recruiting, business operations, and on-boarding. Another big item that has had a lot of movement within the past few months is our co-op with Freeport Aquin in junior high sports and 8-man football. We are still working with the 8-man football conference and NUIC conference to make that happen for next school year. Currently, we are in negotiations with the conference teams in 8-man football to make it happen for this coming school year. The teams get to vote on allowing the co-op. I don't see any issues making it happen for the following year, but we are still in negotiations with the conference about the 2023-2024 school year.

I spoke to the NUIC principals and athletic directors about the potential for a full co-op with all high school athletics/activities with Aquin in the future. There is paperwork that needs to be submitted with the IHSA and obviously a lot more discussions with Aquin and our stakeholders as we navigate this potentially happening.

We received almost \$28K in a combination of donations from Community Bank, a couple anonymous donors, Boosters, and OAA for a new scoreboard with stat panels. Loescher is donating their labor to install the scoreboards. The existing scoreboards will be repurposed and retrofitted with wireless controls to be utilized in the field house.

The couple last shout outs go to our girls basketball team for their successful season and to our woodworking students for continuing to create impressive projects. Our Lady Broncos were 11-1 in the conference, making them back-to-back conference champions. The team finished the season with a regional championship, a showing in the sectional finals, and an overall record of 28-5.

Our students in woodworking continue to make impressive pieces. They start with rough cut lumber and are learning how to use the planer, sanders, table saws, pocket-hole jigs, drills, routers, and several other tools in order to get a finished product.

So far this year, they have made a shelving unit, a piano bench, and most recently are finishing up a [desk](#).

We will continue strategically working on the items from the [strategic plan](#) as we move forward, as they are part of the stepping stones towards the [shared vision](#). I want to thank the staff, community, and board for their continued dedication towards improving Orangeville CUSD for our students! #GoBroncos

Sincerely,

Jeff Milburn
Superintendent
Orangeville CUSD 203

February is a short month, so here I am again! We thought we might be in the clear with winter, but surprise... that was an interesting end to the month. I hope you all have recovered from the snow and ice, and power outages. Now we begin the downslide toward the end of the school year... it will come quickly even if it doesn't seem like it right now. We'll have daylight saving time begin in March, then spring break, and BOOM! Next thing you know, it's the end of the school year.

March

So, speaking of the end of the year, with the three snow days we just had, that now uses our emergency days and makes our final day of school for K-11 as Tuesday, June 6, 2023. That is an 11:00 dismissal. [Seniors will have graduated by then, and Pre-K will likely have a different end date, which will be announced later.]

The updated calendar list is, as always, available on our website.

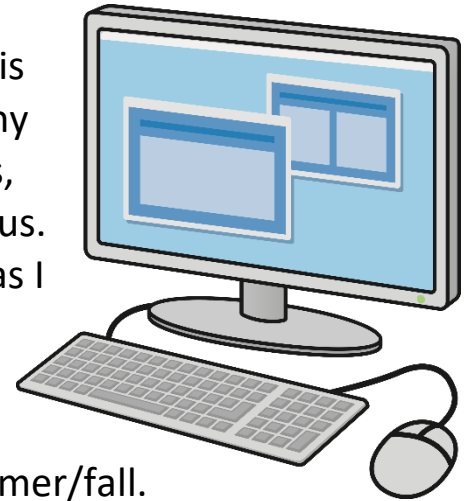

Speaking of Pre-K... the time is coming soon that we prepare for the 2023-24 school year! APRIL 20th will be our annual preschool screening. If your child is 2 yrs. 9 mos. to 5 years old and hasn't been screened before, we encourage you to schedule an appointment. If you wish to schedule, please call or email Ms. Tonya Doyle at 815-789-4450 or tdoyle@orangevillecusd.com She will be able to schedule you and also send you an information packet for you to fill out when they are available. You'll fill out and return this packet at the screening.

In addition, we would like to know about any future kindergartners we should be expecting next year. If you live in-district, and your child will be entering kindergarten next year (and does not already attend Pre-K at Orangeville), please call or email Ms. Tonya Doyle (info above) or myself, Ms. Rachel Heck, at 815-789-4289 or rheck@orangevillecusd.com to let us know about your incoming student. We will send you a new kindergarten student packet for you to fill out and return so that we will have your information for the upcoming registration session.

SPEAKING OF REGISTRATION... there is something new coming again this fall.

We have finally gotten used to the Tyler SIS, and doing online registration, which is great. Hopefully the process is similar and the transition will be smooth, but the company has decided not to continue this portion of their business, so we will be going to a new system, called Infinite Campus. I will be sending out more information on the transition as I learn about it, and as we get closer to the end of the school year, but I wanted to tell you now. This way you can keep an eye out for the information to come, and prepare to expect some changes in that area for the summer/fall.

This system will still have parent & student portals, online registration & online pay capabilities, so hopefully it will be somewhat familiar. We still intend for online registration to happen mid-July, and as that time gets nearer, you will get more information and notifications from me. We will get through the changes together, just like when we moved from InformationNOW to Tyler SIS. 😊

Speaking of Tyler SIS... Please check your parent portals for any outstanding fees. Online registration is really nice, but one thing that is hard for us is that there is no

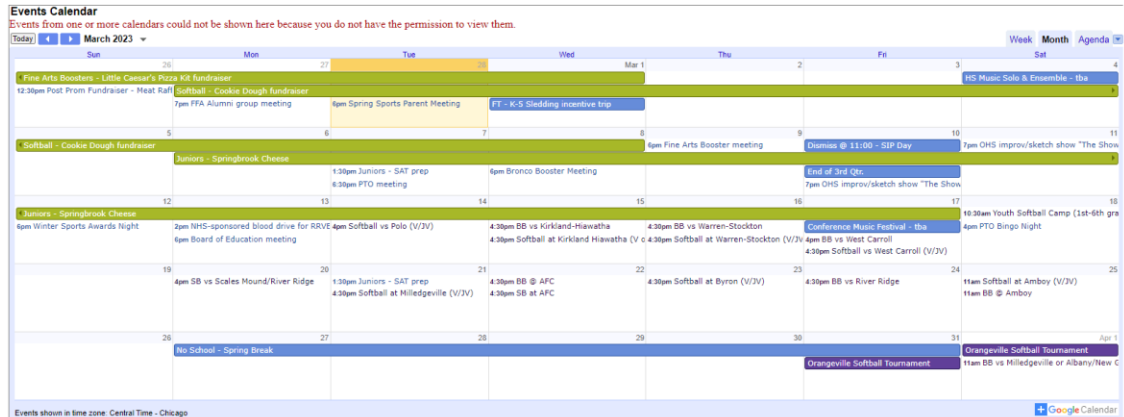

longer a “last step” in the registration process - which when we did it in person was the fee listing. Now with everything online, it is easy to forget, or think that you already paid fees, when in reality they are still are owed. We have never required anyone to pay all their fees on registration day, but we do need you to please look at your fee listing now so that any outstanding fees can be

paid by the end of the school year. They can be paid in payments or all at once, and they can be paid online by card (plus convenience fee), or at school by check or cash. If you have questions about your fees, please feel free to call or email Ms. Tonya Doyle, myself Ms. Rachel Heck, or bookkeeper Mrs. Cindy Wells.

Next, I am touching quickly on it because I have so much other information in this newsletter, but as always, I remind you that we continue to collect Loaves 4 Learning bread-shaped UPCs and Coca-Cola brand caps & codes throughout the school year, and please scan your receipts for Box Tops for Education if you have downloaded the app (and if not, please consider it).

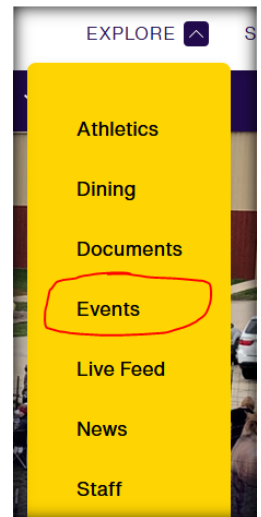

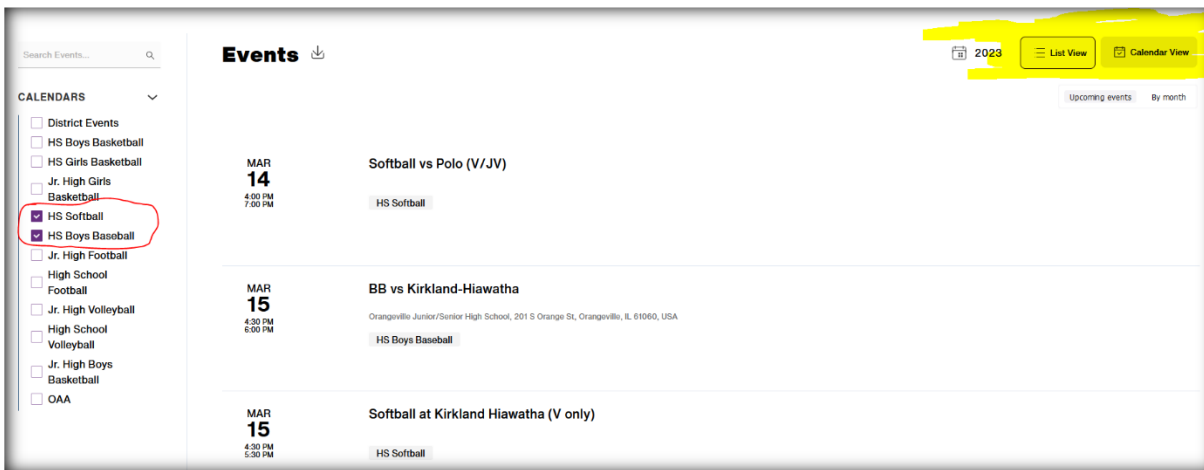

Also coming up in March are spring sports! HS softball and baseball began practicing this week. If you want to see the most up-to-date schedules, you should check our website at www.orangevillecusd.com. You can see the calendar two different ways. If you like the old way of viewing the Google calendar for the district, on the menu go to Parent & Student Resources > Calendar/Newsletters > Google Month View Calendar. You'll see the entire month (or week) and all the school events at once.

If you like the old way of viewing the Google calendar for the district, on the menu go

to Parent & Student Resources > Calendar/Newsletters > Google Month View Calendar. You'll see the entire month (or week) and all the school events at once.

The other option is to go to the top right side, click Explore > Events, and on the page that comes up, on the left side you can checkmark just the calendars you want to view (circled in red). You can then view those by list OR calendar view by clicking the button on the right side (highlighted in yellow).

I'm sure there are more things I could go on about, but three pages is enough for this newsletter. Have a wonderful month of March. Get out there and enjoy the spring weather when it comes, especially since the days get longer!

~Miss Rachel ☺

BRONCO ACTIVITIES NEWS

Brooks Scherer
Activities/Athletic Director

email: bscherer@orangevillecusd.com

<https://www.orangevillecusd.com/page/athletic-information>

**Congratulations to our
Lady Broncos
Basketball Team
for their
accomplishments
this season!**

- Back to back Conference Championship
- Most wins in school history
- Regional Champions
- Competing in the Sectional Championship

Important Dates

2/28- Spring Sports Parent Meeting Rescheduled Date- 6:00 in the LMC.

3/12- Winter Sports Awards Night- 6:00 in the Cafeteria
(look for an email from Bronco Boosters for details)

Aquin/Orangeville Co-op Information

After surveying the coaches, community, & students, the School Board has unanimously voted to co-op all Junior High sports and High School Football for the 2023-2024 school year.

The next step is getting this approved by our conference. The Junior High Conference has approved the co-op. and decision should be made in the next couple of weeks by the 18FA conference. Information with details will be sent out once a decision is made.

STUDENT SECTION

Thank you Student Sections for bringing the energy to each game!

Booster News

COMING UP!

- **WE WANT YOUR HELP!**
Monthly Booster Meeting- Wednesday, March 8th, at 6 pm in the school cafeteria. We rely on parents and community members to help us continue our support of Bronco Athletics, please join us!
- Spring is almost here, and we need workers for softball and baseball concessions!
Community service hours are available to students who work.
Sign up here-
<https://sites.google.com/vjew/broncobusters#h.sk59r5p7x7i1>
- Watch for scholarship opportunities for senior athletes who've participated in all three sports for their entire high school career.

ORANGEVILLE
BRONCO
BOOSTERS

Bronco Boosters are proud to announce our contributions to Orangeville Athletics in 2022 & 2023:

Have you wondered where the funds raised through concessions sales and our annual Bronco Bash go?

We donated over \$28,000 to Orangeville Athletics in 2022!

Last year's contributions:

- 2022- High School Softball Jerseys- \$1,578
- 2022- High School Baseball Pullovers- \$770
- 2022- Summer Weight Room Coordinator- \$1,500
- 2022- Upgrades to the basketball hoop system in the high school gym- \$15,000
- 2022- High School Boys Basketball Uniforms- \$5,610
- 2022- Jr. High Girls Basketball Uniforms- \$2,620
- 2022- Softball fence- \$1,018

What we've committed to contribute to in 2023 so far:

- 2023- Contribution to a new basketball scoreboard in the high school gym- \$5,000
- 2023- Weights and wagon for softball field tarp- \$760
- 2023- Softball pants- \$1,569
- 2023- Baseball fence- \$2,000

On the Agenda for later in 2023:

- High School Football "Away" Uniforms
- Jr. High Volleyball Uniforms
- High School Girls Basketball Uniforms

Bronco Boosters invites you join us at our next monthly meeting!

When- Wednesday, March 8th at 6 pm

Where- Orangeville School Cafeteria

We'd love for you to see what we are all about! Attending a meeting isn't a commitment to join but a fun way to see how Bronco Boosters support Orangeville Athletics. As we navigate new opportunities for our junior high and high school student athletes, it's an exciting time to be a Bronco! See you at the meeting!

Orangeville Education Foundation Highlights

The Foundation met for their meeting on Tuesday, Feb. 7, 2023 with the following topics discussed:

- O.E.F. recognized all Orangeville School District teachers and staff on Friday, Feb. 10, 2023. Thank you to everyone for all you do to educate our young people.
- The O.E.F. held a Fan Appreciation Night on Jan. 31st and again on Feb. 2nd. Winners were given gift cards to Dollar General, High Noon Saloon, BOCO, The Other Place and to the concession stand at school. Congratulations to all the winners!
- A grant request from Mrs. Katie Wells and Mrs. Stacey Brown was given to the O.E.F. They requested \$1,000 to go towards paying for a charter bus for their classes to go to the Museum of Science and Industry, which was granted.
- Seniors are reminded to stop in Mr. Moore's office to pick up and fill out scholarship forms for the O.E.F. Scholarship, Jim and Mary Scheider Scholarship, Sandra Dyson Scholarship, Goebel Scholarship and the Switzer Family Scholarship. The scholarships will be awarded at Senior Honors Night on May 10, 2023.

Our next meeting is Tuesday, Feb. 7, 2023 at 6:30 p.m. in Mrs. MacKenzie's classroom if anyone is interested in joining us.

PRESCHOOL SCREENING

Orangeville Community Unit
School District #203

SY 2023-2024

Orangeville Community School District #203
is holding its annual preschool screening
for 3 and 4-year-old children
on Thursday, April 20, 2023
at Orangeville Elementary School.

To be eligible to attend the Early Learning Academy (ELA)
Preschool-For-All (PFA) program,
each child must go through the free screening which is available to all
children whose parents reside in the school district.

The preschool play-based screening is taking place
in the preschool room for 30 minutes.

All children will have their vision, hearing,
and general overall development screened.

The service is provided by the Early Learning Academy - Regional Office
of Education #08 and the Orangeville School District.

A parent or guardian must accompany the child to the school.

If interested, call (815) 789-4450
to schedule an appointment and request for a paperwork packet.

Children ages Birth – 2 yrs & 9 mos. of age may be screened
by Child and Family Connections at (815) 297-1041
to schedule an appointment with the Early Intervention staff.

School representatives encourage all families with eligible children to
sign up. A majority of learning takes place in the preschool years,
and it's important to identify problems early.

NORTHERN IL. OVERNIGHT 4-H CAMP

Boone, Carroll, DeKalb, Jo Daviess, Lee, Ogle, Stephenson, Whiteside, & Winnebago Counties

Rock River Christian Camp

June 11-June 15
(Sunday-Thursday)

Youth ages 8-14

\$300 4-H'ers

\$320 non 4-H'ers

REGISTER AT: GO.ILLINOIS.EDU/4HSUMMERCAMP

Illinois Extension
UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN

Facts about 4-H Camp

Activities:

Early bird activities are held for campers who like to get up early - before the normal 7 a.m. wake-up bell. These early bird activities include games and nature hikes. Early birds will return to camp in time for breakfast. Campers will get to choose 2-3 other activities during the day and then participate in a group evening activity led by 4-H Youth Development staff and counselors.

Typical daily activities include:

<i>Arts & Crafts</i>	<i>Archery</i>
<i>Crate Stacking</i>	<i>Hiking</i>
<i>High Ropes</i> <i>(Must be 5' tall)</i>	<i>Zipline</i> <i>(Must be at least 45 lbs)</i>
<i>Team Building</i>	<i>Pool</i>
<i>Sports & Games</i>	<i>and more!</i>

In all activities, campers are encouraged to try their best and develop their skills throughout the week. Curious about what else RRCC has to offer or interested in what it looks like? Check out their website at:

www.rockrivercc.net

Illinois Extension

UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN

4-H CAMP- 2023

Rock River Christian Camp

Polo, IL

Sunday, June 11—

Thursday, June 15, 2023

University of Illinois Extension

Boone, Carroll, DeKalb, Jo Daviess, Lee, Ogle,
Stephenson, Whiteside, and Winnebago Counties

Who Can Attend 4-H Camp?

4-H Camp is open to all youth, ages 8-14 by June 11, 2023. Campers do not have to be a 4-H member to attend 4-H Camp. Youth need to be interested in and excited about having a week of outdoor fun, away from television and technology, where they can make new friends and try new things.

Camp Fee Schedule

Register by March 1:

\$300 (4-H Members)

\$320 (non 4-H Members)

Must be paid in full by March 1 or price goes up.

Register after March 1:

\$350 (4-H Members)

\$370 (non 4-H Members)

Must be paid in full by May 15 or spot not held.

Contact your local Extension Office prior to registration to see if financial assistance opportunities are available.

Applications for 2023 Camp and online registration can be found at:

<https://go.illinois.edu/4HSummerCamp>

We look forward to seeing you at Rock River Christian Camp for 4-H Camp this year!

Check-In/Check-Out & Leave Policy

Campers and their families will need to check-in on SUNDAY between 6:00 -6:30 p.m. - No Exceptions!

Parents should return to camp check-out on THURSDAY between 6:00 - 6:30 p.m. Parents will be asked to provide a photo ID at check-out. Early departures are not allowed.

4-H Camp does not permit campers to leave during the camp week for activities such as sports, vacations, etc. Making special arrangements for individuals to leave can compromise the safety and services being provided for the group as a whole.

Speaking of Safety

Staff at RRCC are certified in First Aid, CPR and AED. There is a qualified first aid person at camp at all times. Campers select their own activities, and are supervised at all times. If there is an accident, or a problem with a camper, the parent/guardian is contacted immediately. Except in emergency situations, campers and counselors are not allowed to make or receive phone calls. 4-H Youth Development staff extensively train all camp counselors.

We strive to maintain an environment that both encourages personal growth and creates an unforgettable summer experience.

Want to Know About the Location?

Thank you for your interest in 4-H Camp at Rock River Christian Camp in Polo, IL. Rock River Christian Camp has 94 acres that have been transformed over the years into a beautiful facility for youth and adults.

Life at 4-H Camp

At 4-H Camp, youth will have new experiences while in a safe environment where they can develop skills like crate stacking or archery. With the great outdoors as a background, staff, in cooperation with 4-H Camp counselors, have designed activities to teach life lessons, using creative problem solving and teamwork to achieve a common goal. The cabin atmosphere shows campers how to live cooperatively by sharing chores and respecting each other's differences.

At camp, **EVERYONE** belongs!

So youth can be completely engaged at camp, cell phones and electronic devices are not permitted.

University of Illinois Extension provides equal opportunities in programs and employment.

If you need a reasonable accommodation to participate in this program, please contact the Ogle County Extension office at 815-732-2191.
