

It has felt like a long, long year, and now we have a cold spring that doesn't seem to want to end. But I promise, summer is coming, and coming soon... because this is the last newsletter of the 22-23 school year!! It will be the beginning of August when the next

newsletter comes out, but we will still be emailing you and posting important items on the website & social media during the summer, so please keep an eye out for those things.

I want to first stress again that if you are a returning family with a new PK or Kindergarten student that we do

not yet know about, PLEASE contact us asap to get a future student information packet. This is so we have everything we need by the time online registration happens in July. If you are a new family to the district reading our newsletter, please also contact us ASAP for an information packet. You can email or call myself, the jr.-sr. high secretary Ms. Rachel Heck at rheck@orangevillecusd.com or 789-4289, or elementary secretary Ms. Tonya Doyle at tdoyle@orangevillecusd.com or 789-4450. We will send you a new student packet, to be returned by mid-June.

As we prepare for the upcoming school year, PLEASE make sure we have your up-to-date email address. During the summer, this is how we will send out any important information, and how we will be sending the info for the new system that will be replacing Tyler SIS. The name of

that system is Infinite Campus, and will work much the same as Tyler, and it is where you will be registering your student(s) in July. If you need to change your email address, please contact Rachel at rheck@orangevillecusd.com

I may not talk as often about the Coca Cola and Loaves 4 Learning, but last week we got a check from Coca Cola Give for a little over \$30 for this year's code submissions. It doesn't sound like a lot, but each code is worth a fraction of a cent, so it took a lot of codes to get to \$30. We appreciate all you do. After school I will tally up the Loaves 4 Learning bread-shaped UPCs and send them in as well. Finally, as always, if you have the Box Tops

for Education app, please continue to scan your receipts over the summer. Also, every month the app will show you Bonus Offers and What's New. If you check those out, you can double or triple the amount of Box Tops you earn!

I hate to sound like a broken record, but please check your Tyler SIS parent portals to see if you have outstanding fees yet to pay for the year. It would be helpful for those to be paid by the time school ends.

Right now we have several job openings posted on our website. If you or someone you know is interested in joining our staff, please check out our Employment Opportunities page at www.orangevillecusd.com/page/employment-opportunities

Important upcoming dates:

- Prom – May 6
- Senior Honors Night – May 10
- Graduation – May 19
- (Incoming) Freshman Orientation – May 23
- No School, Memorial Day – May 29
- Jr. – Sr. High Finals – June 1 & 2
- GS Track & Field Day – June 2
- Last day of school, 11:00 am dismissal – June 6th

Okay... that's it for now. You will probably hear a lot from me over the summer.

I hope you have a wonderful end to the school year and enjoy the nice weather (hopefully soon).

~Miss Rachel ☺

Please come out and join us for

“A Night to Remember”

The Junior/Senior Class Prom

Saturday, May 6th, 2023

Grand march & coronation will begin at 5:30 p.m.

In the Terry Miller Memorial Gymnasium

THE 2023 KING & QUEEN ON MAY 6TH

CONGRATULATIONS TO ALL!

SUMMER LIBRARY

Summer Library will be back for its 3rd summer!

There will be more information coming in May.

Looking forward to seeing you all there!

From the School Nurse:

As summer is approaching I think the last thing on everyone's mind is the upcoming school year. I just want to remind everyone of the grade level requirements for all returning and new students to our district. Please do your best to get these to either Tonya Doyle or Rachel Heck before the beginning of the school year. Any student new to the district must have a physical, dental exam, eye exam and all vaccines appropriate for their grade level unless an exemption is signed and reviewed. The requirements are as follows: Any student coming in Pre-K is to have a physical exam and a copy of all required immunizations. Kindergarten is to have a physical exam, a dental exam, a vision exam, and all required vaccines. Second grade must have a dental and vision exam completed. Sixth grade dental exam, physical, 1Tdap, 1Meningitis, and all other required vaccines. Ninth grade physical, record of immunizations and a dental exam. Seniors need proof of both Meningitis vaccines. Sports physicals do not count for the state

required physicals but you may use the one from your doctor instead of getting a sports physical. The HPV vaccine series is not required but highly recommend for all students entering sixth grade. All medical or religious exemptions need to be signed by a doctor and submitted by August 4th 2023 for review. The only exemptions that the state of Illinois recognizes are those of a religious objection or medical, these students are required to have a medical exam every year they attend school. If you have any questions on exemptions or the school year requirements please email me jbonifay@orangevillecusd.com . I hope everyone has a great summer and I will see you all in August.

PTO NEWSLETTER

MONTHLY RECAP

My how this year has flown! The PTO has had some very successful fundraisers the last 2 months-Bingo Night & Egg My Yard! We raised over \$4,000 on our Bingo Night and had an awesome turnout! We hope to continue this fundraiser next year. We also had 26 houses participate in our Egg My Yard-the most yet! We plan to purchase some shade and/or benches for the playground area this summer. We are revving up for SAW & Track N' Field Day and then will break for the summer.
