Hello Orangeville!

I am honored to serve the Orangeville School District as your new superintendent. I am excited to begin a new school year and meet the students, staff and families of Orangeville. It has been wonderful to meet so many community members already and the support for the school has been amazing. Whether it be the support of churches, Lions Club, or the Orangeville Education Foundation, I can see the Bronco Pride wherever I go which is absolutely wonderful. Some of you may remember my husband, Aaron, and I from boys' basketball games years ago. Aaron coached the Varsity Boys Basketball team for a few years back in the early 2000s and loved every minute of it.

I grew up in Northwest Illinois with both of my parents originally from Galena, Illinois. I first attended grade school in Sycamore, Illinois and then later moved to Mount Carroll, Illinois where my late father, Wayne Greene, started teaching Industrial Arts and mathematics after serving in the Vietnam War. After graduating from Mount Carroll High School, I attended Illinois State University and graduated with a Bachelor's degree in Education with a double major in Community Health Education and Health Education and a minor in Biology Education. At ISU, I served as the President of Eta Sigma Gamma Health Science Honorary Society and served as an undergraduate teaching assistant. I continued my education by completing my second Bachelor's degree from Illinois State University in Community Health Education and received the Distinguished Service Student of the Year at Illinois State University.

After college, I started teaching 7th grade science at Freeport Jr. High School in Freeport, IL. During my tenure at Freeport School District #145, I taught students of varying abilities in science and English Language Arts, including the High Academic Potential Program (HAPP) and Advancement Via Individual Determination (AVID). I also served as a member of the K-12 district-wide health curriculum, student council advisor, basketball cheerleading coach, and assistant play director at Freeport Jr. High.

In August of 2000, I earned my Master of Science in Education degree in Educational Psychology from Northern Illinois University. I then began teaching graduate and undergraduate classes at Northern Illinois University in the Department of Leadership, Educational Psychology, and Educational Foundations for elementary and secondary educators. In August of 2004, I earned my second Master's Degree in Educational Administration and began NIU doctoral work at the Illinois Math and Science Academy in Aurora, IL. In 2007, I presented my published research at the American Education Research Association (AERA) in Chicago, IL on "Self-Determination and Middle School Students' Perceptions of Teaching Practices in Problem-Based Learning."

Beginning in 2006, I began my administrative career at West Carroll High School as an assistant principal. In 2008, I was promoted to principal at West Carroll Middle School. In 2010, I was named the Illinois Principals Association Middle School Principal of the Year for the Northwest Region. I have served as an Executive Board Member for the Illinois Principals Association for ten years while I was a

building principal from 2008-2018. On the IPA Northwest Executive Board, I served as a secretary, membership chair, and legislative chair. I am certified as an ISBE Gifted Trainer and I have served as the co-curriculum director for the K-12 gifted education curriculum at the Regional Office of Education #8.

In May 2016, I completed my Educational Specialist (Ed.S.) degree at Western Illinois University. I obtained my Illinois State Board of Education Superintendent License and completed all three of my graduate degrees with a 4.0/4.0 G.P.A. As a member of the Illinois Association of School Superintendents (IASA), I served five years as the Superintendent of the West Carroll School District serving Mt. Carroll, Savanna and Thomson communities and serving as a member of International Rotary for the past fifteen years in Carroll County. I continue to work collaboratively with the region superintendents in professional development and programming as the past Chair of the Northwest Special Education Cooperative and the Career Technical Education (CTE) Board of Directors in JoDaviess-Carroll Counties. I also served on the Carroll County Preschool Board for five years. In August of 2022, I became a member of the PEO Sisterhood where women celebrate the accomplishments of other women.

Outside of my career, I enjoy being a mother of three college-aged children, Mariah, Brady and Marissa Katzenberger and the family's favorite chocolate lab, Wrigley. Mariah graduated from the University of Wisconsin- Green Bay as a student-athlete in 2015 where she majored in Biology and played Division I soccer at Green Bay all four years. Mariah currently attends the Illinois College of Optometry in Chicago, IL where she earned her white coat last year and will obtain her doctorate degree in 2025. Brady is a senior in college at the University of Wisconsin- Platteville majoring in Mechanical Engineering and will be marrying Ana Awender in September. Marissa is a junior attending the University of Iowa majoring in health care. As an educator, mother and wife, I value hard work, appreciation and respect for one another.

I look forward to leading and supporting the educational mission at Orangeville and learning more about the community. Thank you for all that you do to support education!

Sincerely,

**Julie Katzenberger**  
Superintendent

**Go BRONCOS!**

Dear Orangeville School District Community,

I am honored to introduce myself as the principal of the Orangeville School District. I hope this message finds your family well and that your children are getting excited about the new school year on the horizon. I can assure you that the entire school community will be working diligently to create a world-class educational environment for your student with an emphasis on student-centered learning.

I come to the Orangeville School District with experience teaching elementary and middle school as well as serving as a WEB Coordinator, Interventionist, and Instructional Coach. Of all the titles I have earned over the years, the one I hold most dear is that of a husband and father. My wife, Elizabeth, and I have two young children who keep us **very** busy. Our son, Mason, will be joining me at Orangeville this year in the Pre-K classroom and his little sister, Lyla, will be joining the following year. I look forward to introducing my family to the Orangeville community in the coming months.

I started my teaching career at Olson Park Elementary in the Harlem School District. From there I taught at Empire Elementary in the Freeport School District, and Monroe Middle School and High School in the School District of Monroe. I hold a Bachelor's of Science in Elementary Education and two Master's degrees: Curriculum and Instruction, as well as Educational Leadership.

Since arriving at Orangeville I have had the opportunity to speak with students, staff, and community members about what this school community means to them. It is apparent that this district is doing amazing work with the full support of the community. The administrative team strives to build upon the greatness already present here and hone in on that as we ensure that all students are able to achieve at high levels.

As summer comes to an end I hope that you make memories with your families and are eager to return to school. My main focus is to support staff, students, and families in nurturing a learning environment that is conducive to learning for each and every student who calls Orangeville home.

Have a great start to the school year and..... **Go Broncos!**

**Ben Riddle**  
Principal

# Orangeville

COMMUNITY UNIT SCHOOL DISTRICT #203

Hello Orangeville!

I am extremely excited to start the 2023-24 year as your new Dean of Students/Athletic Director/Transportation Coordinator. For the past month, I have gotten an opportunity to become acclimated with Orangeville's school district as well as some of the community members. I can say from the start that I felt extremely at home with all of the staff and students I have met.

A little bit about my educational background begins in the not so distant cornfields of Bloomington-Normal IL. I graduated in 2020 from Illinois State with a bachelor's degree in Middle Level Education endorsed in science and english as a second language. During my time at Illinois State, I was very actively involved in the athletic department as the student coordinator of sound and video for all athletic events. I worked side by side with major names in the television and radio industry to produce athletic events each week during all seasons. During my time at Illinois State I also was part of CMLA (Collegiate Middle Level Association) which provided me adept opportunities to mentor and observe students in a wealth of school settings. As I finished out my time at Illinois State University, I met my fiancé (Redbirds for Life!) who finished a masters degree in Speech Pathology while I was beginning my teaching career.

After graduating, I started my teaching career at Prairie Central School District in Forrest, IL. There, I taught 7th grade science, while implementing a self written, state aligned 7th grade science curriculum that bridged the gap between traditional grading scales and standards based grading procedures. In addition to teaching, I coached wrestling through the school district during this year span. While I thoroughly enjoyed my time at PCJHS, due to family circumstances, I picked up my life and shifted to the Rockford region. My new position in the Prairie Hill School District fell in the same content area, teaching 6-7th grade science under a full standards-based curriculum. For two years I taught at Willowbrook Middle School in South Beloit, IL. While at Willowbrook I served on the leadership committee for teachers, and collaborated on a differentiated SEL curriculum for K-8 students. When given the opportunity, I volunteered much of my free time to attend school events both as an event supervisor and DJ for school dances.

At the tail end of my first year at Willowbrook, I began my Masters in Educational Administration through Aurora University. This program has taken me through a rigorous path of curriculum development, disciplinary education and school/special education law courses. In addition, prior to receiving my degree this December, I will have completed an intensive 3 semester internship involving myself in most of the general administrative tasks that will be beneficial to succeeding here at Orangeville in my new position. I look forward to applying the conceptual and experiential knowledge gained from this program in our school district this year and into the future. As I fill up this document with all beneficial information pertaining to my educational career, I find myself more in the business of relationships with students, community members and staff at the school. My values as an administrator stem from my personal belief in establishing quality education through relationships that help others feel

supported and positive. I am a firm believer in collaboration and communication creating the base of all success.

Outside of my career here at Orangeville, my life does get relatively intriguing with random pieces and parts that I call home. As mentioned above, my fiancé and I live in Rockton, IL, a not too distant commute from OHS. Our lives currently revolve around our two pets Lainey and Lulu. Lainey is a 3 year old german shepard shar-pei and Lulu is a 1 year old Juliana pig. Yes, a pig. Not a feeder pig or bacon. Just a spoiled, house/potty trained, food-loving pig. In addition to the circus of animals that reside at our house, I am actively involved in the classic car community around the Rockton/Roscoe area. In my free time I can be seen in one of three classic cars I own, out and about getting ice cream or enjoying the weather. I also am very musically inclined playing guitar, piano, drums and singing at the occasional open mic night.

Overall, I am truly excited to start the year in this new position. I hope that through the year I will get to meet anyone and everyone that has been a student or part of Orangeville. I find myself constantly being reminded how important our community is to the well rounded students that Orangeville School District produces.

Respectfully,

**Brad Kolar**

Dean Of Students/Athletic Director/Transportation Coordinator

### About me

My name is Heather Goeke and I'm excited to be teaching 3rd grade this year at Orangeville Elementary! I am a Northern Illinois native and returned 2 years ago after being in the Kansas City, Missouri area for 21 years!

I always wanted to work in education, but found myself in the corporate world, working as a commercial lines insurance underwriter before finally getting back into education. I've been working in education for almost 15 years and this is my 7th year as a classroom teacher. I absolutely LOVE teaching and am so glad to be here!

---

Hello, Orangeville families I hope you are having a wonderful summer and have gotten some much needed relaxation. As school time comes around again I would like to touch base on a few things. If your student takes medication here at school we need new doctors' orders every year for these medicines, this includes, epi-pens and inhalers as well as prescription medications. If your student is in 6<sup>th</sup> grade and above they may carry their inhalers but they must have a doctor's order for it on file, these can be found on the website under medical information. Over the counter medications must be stored in the office and have a written consent form filled out, you must supply this medication and fill out a form for each individual one. Any medication that was left over from last year was discarded per district rules, emails and phone calls were sent out at the end of the school year about pickups for leftover meds. Any student entering preschool (the first year), Kindergarten, 6<sup>th</sup> grade and 9<sup>th</sup> grade or new to the district must have a physical on file at the school, this must be a state physical not a sports one. Kindergarten, 2<sup>nd</sup> grade, 6<sup>th</sup> grade and 9<sup>th</sup> grade or new to the district need dental exams for this upcoming year. Eye exams for all students with IEPs, Kindergarten and 2<sup>nd</sup> grade or new to the district must be turned for this upcoming school year. If anyone has any questions, please feel free to give me a call. I hope everyone has a great rest of the summer and I look forward to seeing everyone back at the end of this month.

**January 8, 2024**

**Bronco Fridays!!! Please wear your purple and gold to support our Broncos!!!**

Hello! We are on the verge of starting another school year! We have been working very hard implementing and training on the new student information system, Infinite Campus, all summer long. There have been several “speed bumps” along the way, and there will probably be some bugs to work out even once it is live. So I’m asking for patience as you start using this system. Please feel free to reach out to myself or Miss Tonya with questions and we will do our best to help you.

Otherwise, I don’t have much to put in this newsletter except pleading that if you are willing, please install the Box Tops for Education app and use it to scan your receipts when you purchase Box Tops branded items. The “clips” we all knew and loved growing up have all expired and no longer appear on packaging, so the only way we can earn Box Tops is by scanning our receipts. Three great things going on right now with Box Tops are:

First is the Cash for You, Cash for Your School sweepstakes. This began June 1<sup>st</sup>, and runs through November 30<sup>th</sup>, and when you scan a receipt with Box Tops items, you are entered into a sweepstakes to win \$1,000 for yourself and the school.

Second, is the Buy 4 Earn \$4 - if you purchase 4 participating items at

Walmart and scan your receipt, you will earn \$4.00 in Bonus Box Tops for the school. This goes through September 8<sup>th</sup>.

Last is the Buy 3 Earn \$3... it is like the above, but is for Dollar General stores. If you buy 3 items at Dollar General, you will earn 30 Bonus Box Tops, which equal \$3.00 for the school. This runs through September 16<sup>th</sup>, and you can take advantage at our own Orangeville Dollar General!

As most of you know, the Coca-Cola rewards program ended in June. Thank you so much to any of you who contributed codes over the past few years. We appreciate all your help. We do still collect Loaves 4 Learning bread-shaped UPCs, and send those at the end of the school year. If anyone hears about a new program we can start to replace the Coca-Cola program, please let me know.

That’s enough for me for now, as I have to get back to working on the Infinite Campus program. Enjoy the rest of your summer, and I’ll see you in a few weeks! - Miss Rachel

## Orangeville Education Foundation Highlights

The Foundation met for their meeting on Tuesday, July 11, 2023 with the following topics discussed:

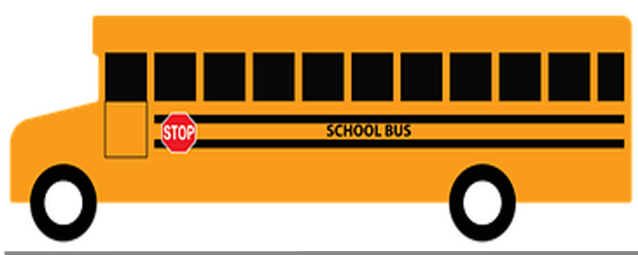

- The Joleen Marcum Memorial Golf Outing was held at The Ville Golf Course on July 15, 2023. We would like to thank the hole sponsors and everyone who attended. We look forward to seeing you again next year.
- Post-secondary scholarship applications for Orangeville High School graduates can be found on the school district website. These must be turned in to the high school office by Aug. 4, 2023. The winner of the \$500 scholarship will be notified by mail the week of Sept. 4, 2023.
- The O.E.F. grilled at AJ Meats in Lena, IL on Friday, June 9, 2023. We would like to thank everyone who supported us by purchasing sandwiches or leaving a tip.
- Congratulations to Leah Baker and Madelyn Statdfield on being awarded the O.E.F. Scholarship at Senior Honors Night in May.

Our next meeting is Tuesday, Sept. 5, 2023, 6:30 p.m. at The Ville Golf Course.

---

The Orangeville Education Foundation would like to thank all who helped make the Marcum Memorial Scramble a success. Adkins Energy, Big O's in the Hollow, Billy Goeke Insurance, BOCO, Community Bank, Core FX, Dearth Automotive, Helm Civil, Helm Mechanical, M45 Marketing Service FHN, Steve and Cathy Monte, Jordan Ag, Dave & Shirley Jordan, Jeff Milburn, Orangeville Animal Health, Orangeville Dental, Pearl Valley Eggs, Pearl City Elevator, Pieper Lawn Care. Lou & Diane Piskur, Pomp's Tire, Joy Roth-Norwex, Reed's Service, Ruda Enterprises Inc, Scheidairy Farms, Stephenson Service Co. Stateline Insurance, T B & B Accounting, The Ville Golf, Wenger's Springbrook Cheese and Widolff Farms, all the volunteers that worked at the outing and...all the golfers that participated. The students and teachers will benefit from the outing proceeds.

# ORANGEVILLE ELEMENTARY SCHOOL

August/September 2023

## PTO NEWSLETTER

### FALL HAPPENINGS

Welcome Back!! We are very excited about the new year & all the things we have planned. We are still deciding on a few events so look for our "Calendar of PTO Events" flyer to come home soon. This is also a way for you to sign up to help at the events you are interested in.

As we begin a new school year, we get asked a lot about where the money the PTO earns goes. It goes towards classroom supplies, field trips, events we hold throughout the year like the Carnival, Fall Fest & Santa Shop. Money goes towards donations for books, new shelving in the library, Post Prom & monthly treats for the staff. In 2022, we were able to purchase a Gaga Ball pit for the playground. We are saving for more items for the playground but those are very expensive & will be long term goals. We hope you will support our efforts in making a difference in our school and students lives this year.

### IMPORTANT DATES

7/31: 6pm PTO Meeting at Water Tower Playground  
8/13: Back to School Bash 12-3pm  
8/25: AJ's Meat Stand from 11am-1pm

9/5 - PTO Meeting @ 6:30pm in LMC  
Week of 9/24: Paint the Hill-Time TBD  
9/29 - Homecoming Parade

Check PTO Facebook Page for details & reminders!

Looking for website design help! If you know anyone, please have them contact us!

CONTACT US TO VOLUNTEER:  
ORANGEVILLEPTO@GMAIL.COM  
Have a great school year!

Have an idea for an event or fundraiser? Let us know! We love trying new things!

### INFO CENTERS

PTO has an Informantion Bulletin Board in the elementary school lobby (across from Ms. Doyle). This will be updated monthly & will include extra copies of flyers that went home, sign up sheets to volunteer at certain events, sign up sheets for food events, etc. Please also check our Facebook page under Orangeville PTO for updates & info!

### BRAT STAND

Thank you to everyone who visited the Cub Foods Brat Stand July 21/22 & to all the volunteers who worked it! We appreciate you!!

### SCHOOL NEWS

Mrs. Katzenberger-Superintendent  
Mr. Riddle-Principal  
Mr. Kolar-Dean/AD  
Mrs. Goeke-3rd Grade  
Mrs. Green  
Mrs. Leverington-Special Ed  
Ms. Louise Colver-English  
Ms. Salamon-English  
Mrs. Coon-Holtapp

Welcomel

EARLY DISMISSAL 9/1 @ 11am

ORANGEVILLE LIONS CLUB

The Orangeville Lions Club is once again asking for your help! We are spearheading a donation request from our community where **every student** in grades Pre-K through 5<sup>th</sup> grade would receive a FREE book from Scholastic Books each month for the entire school year! No donation is too small or large and this will for sure take our entire community's support!

If you wish to donate, please make your check payable to Orangeville CUSD #203 and put "Scholastic Book Fund" in the memo line. Please either drop off or send your donation directly to the school at:

**Orangeville CUSD #203**  
**Attention: Cindy Wells/Lions Books**  
**201 S. Orange St.**  
**Orangeville, IL 61060**

If funds are received above what is needed to provide every student a book, this money will be donated back to the school library.

ORANGEVILLE LIONS are now meeting the 4th Wed. of each month at 7 pm at the Orangeville UM Church. We are always looking for new members so if you are interested, talk to one of our Lions or stop in at one of our meetings and check us out!!

ORANGEVILLE LIONS will be selling roses once again this year! Cost is \$20 per dozen and delivery will happen on either Friday, Oct. 27 or Saturday, Oct. 28. We will be selling tickets starting in September so please contact a Lion to line roses up for your someone special!

**girl scouts**  
of northern illinois

Calling all girls!!!!

The **Orangeville Girl Scout Troop #5410** is always looking for new girls to join our team!

If you enjoy arts, crafts, outdoor activities and learning about how to make the world a better place this is the place for you!

Daisy's: Kindergarten – 1<sup>st</sup> Grade

Brownies: 2<sup>nd</sup> Grade – 3<sup>rd</sup> Grade

Juniors: 4<sup>th</sup> Grade – 5<sup>th</sup> Grade

Cadettes: 6<sup>th</sup> Grade – 8<sup>th</sup> Grade

Seniors: 9<sup>th</sup> Grade – 10<sup>th</sup> Grade

Ambassadors: 11<sup>th</sup> Grade – 12<sup>th</sup> Grade

**When:** Meeting times are 6pm – 7pm on the first and third Wednesday of every month, September through May/June.

**Where:** Orangeville United Methodist Church

**Contact:** Garilynne Reed at 815-291-4615 or Sabrina Lewis at 815-990-9478

### Home for the Holidays Craft & Vendor Show

Saturday, November 18, 2023      9:00 am – 2:00 pm  
Orangeville School   201 S. Orange St., Orangeville, IL 61060  
**PLEASE NOTE THE NEW END TIME FOR THIS SHOW (2:00 pm!)**

If you have any questions or issues, please contact  
Lions' Craft Show Chair Barb Stewart at:  
Email - [HFTHcraftshow@gmail.com](mailto:HFTHcraftshow@gmail.com) or call/text - (815) 997-2511

### Information & Rules

- Registration & fees are due by October 31, 2023. Only cash or check payments will be accepted. **ABSOLUTELY NO LATE FORMS OR PAYMENT WILL BE ACCEPTED!**
- Set up will be held on Fri., Nov. 17 from 5 - 7 pm and Sat., Nov. 18 from 7:00 am until time of the show.
- No one should pack up or leave the show before 2 pm on Saturday, Nov. 18.
- Booth space will be 10'x10'. In the rare event the booth space is "odd shaped", you will be notified, and your approval gotten before assignment. One chair will be included with each booth but you must mark the application form with the total number of chairs you want (including the "free" chair).
- Tables and electric will not be guaranteed unless you sign up in advance for them.
- Anyone who registers/pays for electric will be responsible for bringing their own extension cords, power strips, etc.
- There will be both 6' and 8' tables available and will be assigned by receipt of registration form/payment. If we run out of tables or a particular size, you will be notified.
- Please be courteous of the neighboring booths and do not go over the marked lines for your booth. Please keep music played in your booth at a reasonably low volume.
- No refunds will be given for any reason except in the case we cannot provide a table. Refunds for those situations will be given at the event.
- If you are not able to attend the event, please give the courtesy of letting us know asap.
- We will not take requests on where or who to be set up by. If you wish to be set up next to another crafter/vendor, please submit an application under one name and request multiple booth spaces.
- Booth placements will be final. We will make every effort to keep crafters selling the same types of items apart as well as sprinkle the vendors throughout the crafters.
- The Orangeville Lions will be responsible for all advertising. We anticipate advertising the event through newspaper, radio ad, road signs, school newsletter, Lions newsletter, and several Facebook pages and groups.
- We ask you to like our Facebook page – Orangeville Lions HFTH Craft Show and to share it on your personal Facebook page and encourage others to "like". We also ask that you share pictures of what you will be offering at the show. You may also share your business' Facebook page, website, etc. on our Facebook page.
- Regular communications will happen via text, email, or phone call.
- The Orangeville Lions will be selling food throughout the event.
- **EVERY CRAFTER/VENDOR IS REQUESTED TO DONATE AN ITEM (VALUED MINIMUM OF \$10) FOR OUR SILENT AUCTION. ITEM CAN BE GIVEN AT EVENT.**
