

CERTIFICATES OF APPRECIATION

The Cresskill Education Foundation (CEF) has created a Certificate of Appreciation for your children’s teachers, administrators or other school employees. These are Not gift certificates—they are something better! By purchasing a certificate(s) to be presented to the educators of your choosing, you are both honoring them and investing in your children’s education. Amounts raised finance projects and programs not funded by the school budget.

In order to ensure delivery prior to winter break, we must receive the form by December 18th. Since teachers tend to display the forms before break, sending it in earlier would be great! Plus you may be entitled to an additional certificate (see below.) Forms may be mailed to the CEF at the address listed below or delivered to your child’s school. For additional information contact Kathie Lazzaro at 201-906-1816

***Thank you for your support. We wish you and your family a safe and happy holiday season.
