Comprehensive School Improvement Plan Goals

Two Rivers School District

The district will designate a central office contact person for the schools, and that person will maintain close communication with the schools and an interest in their progress.

The district will provide a cohesive district curriculum guide aligned with state standards or otherwise will place curricular expectation on the schools.

The Leadership Team will regularly look at school performance data and aggregated classroom observation data and will use that data to make decisions about school improvement and professional development needs.

The district will regularly reallocate resources to support school, staff, and instructional improvement.

Two Rivers Elementary and Two Rivers High School

Common Goals

A Leadership Team consisting of the curriculum coordinator, principal, teachers who lead the Instructional Teams and other key professional staff will meet regularly.

Teachers will make individual professional development/growth plans based on classroom observations.

Instructional Teams will develop standards-aligned units of instructions for each subject and grade level.

The Leadership Team will review the principal's summary reports of classroom observations and will take them into account in planning professional development.

The schools will monitor progress of the extended learning time programs and others strategies related to school improvement.

The schools' Title I Compact will provide roles and expectations for parents, students, and teachers which will include responsibilities/expectations that communicate what parents/families can do to support their students' learning at home.
