To: Employees and Parents

Our Lincoln Parish Schools have done a great job of helping to minimize the spread of Covid-19. Thanks to our employees, parents, and students for following steps to prevent the spread. Wearing masks and sanitizing often has truly made our schools safer for students. We will continue to monitor each school for any outbreaks in the future.

Based on last week's announcements, the Governor is allowing each school district to make decisions that are best for each district. Lincoln Parish will not be going virtual for the entire district at this time, but we are making some decisions to address the lack of substitutes in the classroom.

The decision has been made to continue to have school every day for students in grades pre-k through 6th grade. However, beginning Monday, December 7, 2020, we will move the students in grades 7-12 to an A/B schedule which means students will attend school every other day and be virtual the other days. This decision is being made to accommodate the need for substitutes in the classrooms. With this schedule the teachers in grades 7-12 will be used as subs on their virtual days for any teachers who are out.

This A/B schedule will be in place from December 7 - December 18 and also for 2 weeks following the Christmas holidays, January 4 - January 15.

	<u>A Day</u>	<u>B Day</u>
Choudrant High School	7, 9, 11	8, 10, 12
Ruston High School	9, 10	11, 12
Simsboro School	7, 9, 11	8, 10, 12
Ruston Junior High	7	8

You will receive information from your school regarding the A/B calendar.
