

Why Choose **UPAL**?

(University Programs at Lakeland)

- Highly academic, career-focused programs; targeting the “A” and “B” student
- UPAL allows students to explore a career while still in high school
- Many courses in the programs maximize opportunities to earn college credits
- Earning college credits while in high school saves \$\$ when enrolled in college
- UPAL offers students exposure to professionals in the field through field trips and seminars
- UPAL students gain individualized attention and establish relationships with mentoring teachers
