

November 11, 2020

Dear Wildcat Parents,

As the holiday season approaches, many of our Justus-Tiawah classes would like to adopt angels with whom to share from their abundance. We would like to take care of the needs of our Justus-Tiawah families first, so if your family is having a tough time during this holiday season and needs assistance we would like for you to consider participating in our 14th Annual Justus-Tiawah Angel Tree. If you have already signed up to participate in another program, we respectfully ask that you not participate here too. It is our goal to serve those families who have needs but may not qualify for assistance through DHS or the Salvation Army. The program will work in this way.

If your family needs assistance please complete the form on the back of this letter and return it in a confidential envelope to Mrs. Clifton in the Superintendent's office. We will carefully protect the identity of those families who are participating. We will need to have those forms returned to us by Tuesday, November 17th.

If you would like to adopt an angel we will have those available in the office beginning Thursday, November 19th and Friday, November 20th. We ask that you return the unwrapped donated items to the office no later than Tuesday, December 15th.

The office will contact participating families to schedule a time to pick up the items donated starting on Wednesday, December 16th and Thursday, December 17th. We will arrange a time for you to pick up so that we can practice social distancing.

We hope that our school community will be blessed by this endeavor. Thank you for your consideration of the project.

Sincerely,

Mr. Crum

Mrs. Taylor

Mrs. Larmon
