

Meal Delivery or Pick Up Announcement

November 30, 2020

Good evening. We are sending this message to you to inform you about how Tecumseh Public Schools will provide meal services to our students for the remainder of the week.

Breakfasts and lunches will be provided daily for the rest of this week beginning tomorrow – Tuesday, December 1st - for delivery or meal pick up.

The meals are free to all students ages 4 through 19 who are enrolled in school as well as their siblings from newborns to 3 years old.

For meal pick up, the district will open its cafeteria at Cross Timbers Elementary School located at 1111 W. Highland Street from 11:45 AM to 12:30 PM each day from Tuesday through Friday. Since the dining room will not be open, it will be expected that students return home once they pick up their meals.

For meal delivery, bus drivers will deliver meals to all current bus stops in the district. Students may meet the bus driver to pick up a “grab-and-go” meal kit that will contain breakfast and lunch. Again, buses will run tomorrow – Tuesday, December 1st – and each day for the rest of this week.

Buses will be delivering to all stops on all routes between 10:30 AM and 12:00 PM each morning. Specific delivery times of meals at each bus stop will not be possible to provide due to the differing amounts of time at each stop that our drivers may spend serving students, so please have your children at their bus stop beginning at 10:30 AM until the bus arrives. We thank you for your flexibility and patience as we go through this process and provide as many children as possible with free meals.

If you have questions, feel free to contact your child’s school via phone, or you can call our district’s administrative offices at 405-598-3739. Thank you for your support of Tecumseh Public Schools.
