Monday, November 30, 2020

With the surge in Covid-19 positive cases, please continue to take precautions to reduce the spread by wearing masks, social distancing, proper hygiene, and staying home when not well.

Our guidance is provided by the Hamilton County Health Department from their recommendations.

Parents / guardians should perform a wellness check of their child each morning, prior to sending them to school. This includes assessing for the following:

- Cough
- Shortness of breath / difficulty breathing
- Fever (over 100 degrees) or chills
- Body ache
- Headache
- Sore throat
- New loss of taste or smell
- Nausea, vomiting or diarrhea

If your child develops any of these symptoms while at school, parents / guardians will be contacted to pick up their child.

**Please remember that if your student is experiencing any Covid-19 symptoms or if a member of your household is pending test results, YOU MUST keep your child home and notify the school as soon as possible.**

**We ask that if your child tests positive or they are determined to be a close contact of a positive case, please contact the school health clinic at 513-563-5000 Ext. 119.**

Thank you,

*Nurse Jen*
