A. Definitions

1. For the purposes of school attendance, a “day in session” shall be a day on which the school is open and students are under the guidance and direction of a teacher or teachers engaged in the teaching process. Days on which school is closed for such reasons as holidays, teachers’ institutes, and inclement weather shall not be considered as days in session.
2. A “school day” shall consist of not less than four hours, except that one continuous session of two and one-half hours may be considered a full day of Kindergarten.
3. “A day of attendance” shall be one in which the student is present for a full day under the guidance and direction of a teacher while school is in session.
 - a. Whenever over-crowded conditions make it necessary to hold two separate sessions with a different group of students in each session, a student attending for all of either session shall be regarded as having attended for the full day. An excused absence for any reason shall not be counted as a day of attendance in the school register.
4. A “half-day class” shall be considered the equivalent of a full day’s attendance only if in session for four hours or more, exclusive of recess periods or lunch periods.

B. Attendance Recording

1. A record of the attendance of all students on roll in a school register shall be kept each day that school is in session by a teacher or other authorized person. It shall be the duty of this person to keep the attendance records according to these rules and the specific instructions issued by the Commissioner of Education.
2. No student shall be recorded as present unless the school is in session and the student so recorded is under the guidance and direction of a teacher in the teaching process.

3. A student shall be recorded as absent in the school register when not in attendance at a session of the school while a member of the school, except students excused due to religious holidays who shall be recorded as excused.
4. A student shall be recorded as either present, absent, or excused for religious observance, every day the school is in session after the student enters until the date the student is transferred to another school, transferred to an individual home instruction record, or officially leaves the school system.
5. The Commissioner shall annually prescribe a list of religious holidays on which it shall be mandatory to excuse students for religious observance upon the written request signed by the parent or person standing in loco parentis.
6. The mere presence of a student at roll call shall not be regarded as sufficient attendance for compliance with N.J.A.C. 6A:32-8.3. In a school which is in session during both the forenoon and the afternoon, a student shall be present at least one hour during both the forenoon and the afternoon in order to be recorded as present for the full day. In a school which is in session during either the forenoon or the afternoon, a student shall be present at least two hours in the session in order to be recorded as present for the full day.
7. A student not present in school because of his/her participation in an approved school activity, such as a field trip, meeting, cooperative education assignment, or athletic competition will be considered to be in attendance.

C. Excused/Unexcused Absences

 - a. The student’s illness supported by a written letter from the parent upon student’s return to school. To be considered “excused” for course credit purposes, the absence must be verified by a physician’s note within 10 days of the return to school following the final day of absence;
 - b. The student’s required attendance in court;
 - c. Where appropriate, when consistent with Individualized Education Programs, the Individuals with Disabilities Act, accommodation plans under 29 U.S.C. §§ 794 and 705(20), and individualized health care plans;
 - d. The student’s suspension from school;
 - e. Family illness or death supported by a written letter from the parent upon the student’s return to school;

 - g. Interviews with a prospective employer or with an admissions officer of an institution of higher education;
 - h. Examination for a driver’s license;
 - i. Necessary and unavoidable medical or dental appointments that cannot be scheduled at a time other than the school day;
 - j. An absence for a reason not listed above, but deemed unexcused that does not count toward truancy by the Principal upon a written request by the student’s parent stating the reason for the absence and requesting permission for the absence to be an unexcused absence that does not count toward truancy;
4. “Truancy” means ten or more cumulative unexcused absences that count toward truancy of a student between the ages of six and sixteen as determined by the Board’s Attendance Policy and Regulation pursuant to N.J.A.C. 6A:16-7.6(a)4.iii. and the definition of school day pursuant to N.J.A.C. 6A:32-8.3.

Any unexcused absence not counted toward truancy listed in C.3. above shall be an absence counted toward truancy.

5. Instances of tardiness in the number established by Policy 5240 may constitute an unexcused absence that counts toward truancy.

D. Notice to School of a Student's Absence

1. The parent or adult student is requested to call the school office before the start of the student's school day.
2. The parent of the student or an adult student who will attend the morning session, but will not attend the afternoon session should call or provide notice to the school office before the start of the afternoon session.
3. The parent or adult student who anticipates a future absence or anticipates that an absence will be prolonged should notify the school office to arrange make-up work.

E. Readmission to School After an Absence

1. A student returning from an absence of any length of time must provide a written statement that is dated and signed by the parent or adult student listing the reason for the absence.
2. A note explaining a student's absence for a non-communicable illness for a period of more than three (3) school days must be accompanied by a physician's statement of the student's illness with medical clearance to return to school.
3. A student who has been absent by reason of having or being suspected of having a communicable disease must present to the school nurse written evidence of being free of communicable disease, in accordance with Policy 8451.

F. Instruction

1. Teachers shall cooperate in the preparation of home assignments for students who anticipate an excused absence of one (1) or more school days duration. The parent or student must request such home assignments.

2. A student who anticipates an absence due to a temporary or chronic health condition may be eligible for home instruction in accordance with Policy 2412. The parent must request home instruction.
3. Students absent for any reason are expected to make up the work missed. The parent or student is responsible for requesting missed assignments and any assistance required. Teachers will provide make-up assignments as necessary.
4. In general, students will be allowed a reasonable amount of time as determined by the teacher to make up missed work.
5. A student who missed a test or an exam shall be offered an opportunity to take the test, exam, or an appropriate alternate test.

G. Denial of Course Credit

1. The teacher will determine the credit to be awarded a student for make-up work. Where class participation is a factor in the learning process, the teacher may consider a student's absence in determining a final grade, except excused absences or absence for a suspension from school will not adversely affect the student's grade. The teacher may record an incomplete grade for a student who has not had a full opportunity to make up missed work.
2. A secondary pupil will be denied course credit for all full year courses when he/she has accumulated more than twelve (12) absences, except that "excused absences," as outlined in section A2 above, will not count toward the total. For courses that last less than one full year or for students who transfer into the school district after the start of the school year, the accumulated absence limit stated above will be prorated. Exceptions to this rule may be made for pupils whose absences are excused and who have demonstrated through completion of home assignments and/or home instruction that they have mastered the proficiencies established for the course of study.
 - a. A secondary pupil denied course credit may participate in a credit completion program to regain the denied credit, provided the pupil has not exceeded eighteen (18) unexcused or allowable absences. Excused absences do not count toward this limit. Students who exceed the eighteen (18) absence limit must retake the course for original credit. Credit completion is not an option. For courses that last less than one full year or for students who transfer into the school district after

the start of the school year, the accumulated absence limit stated above will be prorated.

3. A secondary pupil who accumulates more than twenty-seven (27) absences in a school year, including excused, allowable, and unexcused absences, except absences for the observance of religious holidays and absences caused by a pupil's suspension will be placed in loss-of-credit status regardless of reason. For courses that last less than one full year or for students who transfer into the school district after the start of the school year, the accumulated absence limit stated above will be prorated. The number of absences provided under this provision equate to 15% of the total school days required by the State of New Jersey.
4. An elementary student may be retained at grade level, in accordance with Policy 5410, when he/she has been absent fifteen (15) percent or more school days, whatever the reason for the absence, except that excused absences and absences due to student's suspension will not count toward the total.

Exceptions to this rule may be made for students who have demonstrated through completion of home assignments and/or home instruction that they have mastered the proficiencies established for the assigned courses of study.
