PROJECT SENIORS '21

While Covid might have changed what we thought senior year would be for our kids, we are committed to creating a year filled with alternative activities to make their last year at MHS fun and memorable.

We have expanded the idea of Project Graduation to PROJECT SENIORS. Our goal is to replace or alter the events we might not be able to have with events that are fun and safe and in alignment with Covid protocols.

Our first two events were a success!

We had a great turnout for the Homecoming and Corn Hole events. The Metuchen Elks really stepped-up for our kids. Please visit the PS21 page on the MHS website for photos and additional calendar events:

<https://www.metuchenschools.org/o/mhs/page/project-seniors-21--2>

We welcome all parents to get involved. Please email mhsps21@gmail.com for more information. And, nothing much happens without funding. Please read the attached for information on Lawn Signs and Donating.

PROJECT SENIORS '21

Covid19 & quarantine have changed our kids' senior year in every way possible. What will come of Homecoming, Prom, Project Graduation – all of the school events they've been looking forward to and will make their crowning-year memorable? We can't say for sure. BUT, our goal is to proactively introduce safe and alternate substitutes.

We need your help. First, we need the funds to make things happen. We cannot hold event fundraisers and so we're asking for a contribution on behalf of every senior.

We're hoping that you are able to send at least \$50 per senior. We really need at least double that amount and so if you're able to send more, please do. There will be no raffle sales or dinner events. Just a check.

We also welcome you to join our efforts. If you have an idea for a Covid19 protocol-friendly event and would like to help make it happen or if you have access to resources that might enable an activity to happen, please email us at mhsp21@gmail.com.

All contributors will be noted in the Graduation Program. We sincerely thank you for help.
