Mrs. Jennifer Durbin, MS/HS Principal  
Mrs. Michelle Hellman, GS Principal  
Mr. Kris Kloba, MS/HS Assistant Principal  
Ms. Lori Avart, Special Education Coordinator

---

*Illini Central CUSD # 189 maintains a list of potential projects for community members who may wish to make a donation to impact the students of Mason City, San Jose, and Easton.*

### **Projects for consideration include:**

- **Technology:** The district is working to implement technology into all areas of education, allowing students to gain experience and be successful with 21st century tools.
- **Incentive field trips:** Students are rewarded at times as a result of achieving educational goals. These goals may involve behavioral or academic goals that students may earn, allowing them to gain additional experiences outside of the district. For example, the Middle School students are rewarded every 9 weeks for meeting academic and behavioral criteria.
- **Playground:** The PTO and the school district are working to upgrade the playground and outdoor equipment in the future.
- **Learning experiences:** These opportunities would allow students to gain experience in areas that will impact their future. Currently, the district is exploring options that would allow students to visit college campuses, businesses, and cultural events with the hopes of broadening perspectives.
- **FATE (Family and Teacher Engagement) materials:** Teachers in 2nd and 3rd grade invite parents into their classrooms every 9 weeks to demonstrate ways to support their child at home through hands-on games and activities.
