About the Author

Speaking of her debut children’s book *Ordinary Monsters*, Kristin Gibson says, “I needed a way to comfort my five-year-old daughter and ease her fears of our new house. I wanted to show her she was braver than she felt.”

Born and raised in New Jersey, Kristin Gibson has been writing from a young age. Her writing, mostly poetry, was always inspired by her life experiences—relationships, emotions, love, and loss. Although most of this writing never saw the light of day, it instilled a desire to someday do something more.

In college, Kristin pursued communications at Rochester Institute of Technology. Her dreams of becoming an author persisted, but life had other plans. Kristin went on to receive her master’s degree in counseling from Seton Hall University and became a full-time licensed addiction counselor in South Carolina.

Today, as a wife and mother of two young children, inspiration (and toys) are everywhere. Using humor and imagination, Kristin turns everyday life, and occasional chaos, with her family into exciting adventures and life lessons.

Kristin explains, “I want my children to be confident teenagers and adults—to be able to explore the world around them and conquer their fears. I strive to teach them not to give up and to believe that dreams can come true.”

With each word she writes, she imagines a child reading it and their self-esteem growing.
