The risk to have contact with individuals, who have been exposed to and/or have been diagnosed with one or more communicable diseases, including but not limited to Corona Virus Disease 2019 (hereinafter "COVID-19") or other medical conditions, diseases, or maladies does exist, and, despite School's good faith implementation of the Iowa Department of Education's recommended health, hygiene, and social distancing best practices, it is impossible to eliminate the risk that Student might be exposed to and/or become infected through contact with or close proximity with an individual with a communicable disease. Risk from contracting such communicable disease might include, illness, permanent disability, or death.
2. COVID-19 is still a new disease and there is limited information regarding risk factors for severe disease. 3. By signing below the undersigned acknowledges that Student does not have an underlying medical condition, as referenced herein, or that if Student has such underlying medical condition that the undersigned will first obtain written permission from a licensed healthcare professional prior to Student attending or participating in Prom, which written approval will be provided to School in advance of attendance or participation.

People with these symptoms may have COVID-19: cough; shortness of breath or difficulty breathing; fever of 100.3 degrees Fahrenheit or above; chills; muscle pain; sore throat; new loss of taste or smell. This list is not all possible symptoms. Other less common symptoms have been reported, including gastrointestinal symptoms like nausea, vomiting, or diarrhea.
5. Student will not attend Prom and Student or Student's parent or guardian will notify School officials if Student currently has symptoms or have been in contact with anyone with a confirmed COVID-19 diagnosis in the last 14 days.
