

## **CONTRACTS OVER \$25,000 FY 2020**

Public Act 95-707 imposes obligations on school districts to publicly disclose of significant contracts, including the contract with the exclusive bargaining representative. in the current fiscal year. A significant contract is any contract over \$25,000. We have provided a listing by name or vendor name and not the actual amount of the contract. The information is derived from the contracts that the school district has with employees, consultants, other institutions, and vendors. Much of this information is also provided in the Annual Statement of Affairs (ASA) that the school district prints in the newspaper each year prior to December 1st. This information is provided on the district's web site as required by law.
