12/2/20

Parents of NCE Students,

The Governor's Executive Order 20-94 stated that each school district must provide 30 minutes per day for teacher preparation to provide instruction to students in distance learning or hybrid learning model. This teacher preparation time is for students receiving instruction in distance learning or a distance learning or hybrid model. This time is in addition to a school district's or charter school's teacher preparation time established under Minnesota Statutes 2019, section 122A.50. 10.

In an effort to follow the Executive Order and not change the schedule daily, we decided that we will not have school on Wednesday December 16, January 27 and February 24. These three (3) days will be teacher prep and planning time and therefore we will not have school for students.

We will continue to provide Breakfast and Lunch on these days. Meals will be ready for you to pick up at school between 3:00pm and 3:25pm on the previous day, if you have signed up for these meals. If you would like Breakfast and/or Lunch, please email: tammyr@nce.k12.mn.us to sign up. Please let her know if you want Breakfast, Lunch or both.

Again, thank you for doing such a great job encouraging and supporting the students with masks and COVID behaviors! We appreciate your support of NCE School!

Mr. Flaten
Principal

Mr. Nudell
Superintendent
