If hazing or planned hazing is discovered, involved students shall be required to end all hazing activities immediately. All hazing incidents shall be reported immediately to the Superintendent.

**Detention Dates and Time:** Every Thursday/TBA 2:35-3:15

**Detention Rules:**

- Late students will not be permitted
- No restroom privileges-use prior to detention
- All students must bring school/homework or appropriate school reading material.

### **Missed/Skipped Detention Violation:**

- A missed/skipped detention will result in immediate ISS and reassigned scheduled detention. Multiple missed detentions will result in additional discipline by administration.
- A skipped detention will result in the student's loss of participation in any extra-curricular activity that day/night (games, practice, performances ...). The skipped detention will be re-assigned and an ISS may be assigned as well at the discretion of the administration.

## **DRUG AND ALCOHOL ABUSE**

Recognizing that observed and suspected use of alcohol and illicit drugs by Wynford Local Schools students is a serious concern, a program of deterrence has been instituted as a proactive approach to a truly drug free school. Likewise, students using illegal drugs pose a threat to their own safety, as well as to that of other students. The purpose of this program is fourfold:

1. To provide for the safety of all students;
2. To undermine the effects of peer pressure by providing a legitimate reason for students to refuse to use illegal drugs;
3. To encourage students who use drugs to participate in drug treatment programs; and
4. Prevent the impact drug and alcohol use has on the learning centers of the brain allowing students to achieve their full academic potential while a student within Wynford Local Schools.

## **INFORMED CONSENT FOR TESTING**

At the beginning of a student's school career, students and parent/guardian/custodian will complete and sign the Wynford Local Schools Code of Conduct and Expectations Informed Consent Agreement (Final Forms). No student may participate in identified extra-curricular activities and/or receive a parking permit until this form is properly executed and on file with the school. This consent form shall remain in effect for the student's entire Middle School/High School career unless they chose to formally opt out in writing.

Students who test positive for alcohol/drug use will be required to complete three additional rounds of follow-up testing to ensure that no further drug use has taken place.

## **POSITIVE TEST PROTOCOL**

Students who test positive for alcohol/drug use will be suspended from identified extra-curricular activities (per the athletic handbook) and from driving privileges for two weeks. Students must complete the Drug Awareness/Prevention through Marion Crawford Prevention Program or through an Administration Approved Program. Refusal to participate in the program will result in further denial of these privileges.

Subsequent positive test results indicating continued usage will result in a 4 week suspension of student driving privileges and further suspension of extra-curricular activities (per the athletic handbook). Students will be required to complete an additional assessment through a certified chemical dependency counselor. Upon successful completion of the counselor's recommendations, students may return to participation.

Any further positive test results may result in the student losing driving privileges and/or athletic participation (per the athletic handbook) for the remainder of their school career.

## **ACTIVITIES BEFORE/AFTER SCHOOL HOURS**

Students are not permitted to hold meetings for committees, organizations, or remain after school hours unless they are under the direct supervision of a responsible teacher or adult supervisor approved by the office.

Students who accept positions of responsibility on teams, the band, Royal Singers, or other organizations of the school are expected to assume responsibility of attending and participating in such groups regularly.

In the event of illness which would prevent the student from participating or performing, he or she is expected to notify the advisor, coach, or leader of the activity.

Once students arrive at school and/or leave the school building students are advised to enter/exit their cars in a timely manner and avoid LOITERING.

## **EMERGENCY MEDICAL AUTHORIZATION FORMS**

All required emergency medical forms will be filled out in Final Forms by parents or guardians at the start of each new school year.

## **PRESCRIPTION MEDICATION AT SCHOOL**

All students taking prescription medication at school must follow regulations as stated in Ohio Revised Code. A physician's request for the administration of medication by school personnel must be completed prior to the student using the medication at school. No student is permitted to

take prescription medication on their own. The medication must be dispensed from the HS/MS office/clinic. All medication must be stored in the clinic with a copy of the prescription. A parent/physician's request form is available on the Wynford website or the school office.

## **LICE POLICY**

Children with a live lice infestation will be sent home. Children may return to school after proper treatment and after being examined by the school nurse. The student must be examined and be nit free before being allowed to return to the classroom.

## **STUDENT RECORDS**

### **Review of student records:**

1. A student of age 18 or older or the parent(s) or guardian(s) will have access to the student's records under administrative supervision during those times the school is normally in session, unless arrangements for another time have been made in writing. The student of 18 or older or parent(s) or guardian(s) have the unique right to inspect the academic record and are entitled to an explanation of any information recorded on the record. Examination of the record will be permitted under conditions which will prevent its alterations or mutilation.
2. If the student age 18 or older or parent(s) or guardian(s) are in disagreement with the data on a student's record, they may challenge the information by presenting a written statement to the superintendent, with a copy of the concern or disagreement. Within 10 working days, the parent(s) will receive a written reply and/or personal conference. If the parent(s) or guardian(s) disagree with the decision rendered by the superintendent, they may petition the Board for a hearing. If still not satisfied, they may prepare a statement to be placed in the personal file.
3. Staff members who have a legitimate interest and need will be allowed information concerning the record of any student. Such use will be limited to specific needs for providing the student with educational and welfare service.

### **Release of student records:**

According to Federal Law (20 USC Sect. 1232g, commonly known as the Buckley Amendment) consent is **NOT** required in order for you to transfer these records. **Incomplete** – Students must make up incomplete work within two weeks of the recording of an incomplete grade on the report card unless prior arrangements have been made with his/her teacher(s)/principal. After this time period has expired, the incomplete grade may be changed to a failing mark unless prior arrangements are made with teachers and/or principal.

Students who simply refuse to make-up incomplete work may not be granted credit for course work. Example: If a student refuses to take a semester exam, he/she may not receive credit for this course.

**Make-Up Credits/Summer School/In-School** - Students who fail classes and/or credits at the high school level may be permitted to make-up a maximum of two full credits per year through the completion of summer school/in-school credit recovery programs and/or correspondence course work approved by the administration. This course make-up is meant for remediation purposes. All other credit make-up must be done through repetition of failed course work at Wynford High School or its affiliates. Exceptions to this rule can only be made with the prior approval of the administration.

**Gifted Identification Policies-** Wynford Local Schools have adopted Ohio's mandated Gifted Child Plan, which will standardize identification procedures throughout the state and will identify students with advanced learning needs in the areas of:

Superior Cognitive Ability

Specific Academic Ability

Creative Thinking Ability

Visual or Performing Arts

If you think your child would qualify for one of these programs, ask your school's counselor for the Gifted Identification Packet or talk to the Building Principal or Gifted Intervention Specialist.

## PLAGIARISM

Plagiarism is a serious academic offense and students are responsible for educating themselves about it. Plagiarism is defined as representing as one's own in any academic exercise the words or ideas of another.

This includes but is not limited to:

- Quoting or paraphrasing without proper citations either in text or on a works cited page. **Note: *If the idea, not just the wording of the idea, is borrowed, it must be cited.***
- Using a past or current student's work as one's own.
- Cutting and pasting paragraphs from different websites.
- Handing in a paper from the internet.

Disciplinary actions:

The student will receive a zero for the entire assignment or portions of the assignment (according to the teacher's discretion that were plagiarized).

Repeated infractions may involve failure of or removal from the course.

All parties to plagiarism are considered equally guilty. If you share your coursework with another student and he or she plagiarizes it, you are considered as guilty as the one who has plagiarized your work, since you enable the plagiarism to take place. Under no circumstances should a student make his or her coursework available to another student unless the instructor gives explicit permission for this to happen.

## CHEATING

Academic integrity is at the core of a High School and Middle School. That integrity must be held to high standards to ensure accurate academic records for all students. Students, who copy work from one another student, allow student(s) to copy their work, possess a "crib" and or cheat sheet, usage of an electronic device(s) to gain an academic advantage, etcetera are considered cheating. If a student is found in violation of cheating they will receive a zero "0" for the assignment, quiz, test, lesson, etc. The second violation the student may result in potential failure for the course and or removal from the course.

## AVERAGES

At the beginning of each course, the teacher will distribute to each of his/her students a written synopsis of how grades are determined. These written grading procedures will be approved by the administration prior to their disbursement and may include conduct/effort as a necessary factor of determining grades. Each teacher must reserve the right to determine these grades due to the diverse curriculum that exists at Wynford High School.

## GRADING

Grades are based upon the percentage system as interpreted and administered by individual

teachers.

| GRADE | Numerical Average   | 4.0 Non-Weighted |
|-------|---|------------------|
| A     | 100-93  | 4.0              |

| I     | Incomplete - Two weeks to finish grade or may result in a 0 |                  |

## HOMWORK POLICY

Homework is used to reinforce concepts that have been taught in class. You have until the test/quiz on that section to turn in late homework for reduced credit. After the test/quiz for that particular work, late work will not be accepted and homework will be marked as missing and no credit given. (Policy can be mitigated only by the Teacher and Administration due to unforeseen circumstances).

## SEMESTER AND FINAL EXAM POLICY

The academic year is divided into 4 nine-week periods and a grade is given at the conclusion of each nine-week grading period. In addition, an exam may be given and a grade will be received at the conclusion of the first semester for grades 6-12 and second semester for grades 6-9 and 11-12, (10th grade students enrolled in advanced classes may have to take second semester exams). CCP classes will follow the guidelines provided by the given college, therefore may be different from Wynford's policy.

1. All exams will be completed during the scheduled exam time. All students are required to come to school during the scheduled exam times.
2. Exams may be given in the four academic core areas (mathematics, English, science and history) in grades 6-12 at the completion of the first semester and for grades 6-9 and 11-12 (10th grade students enrolled in advanced classes may have to take second semester exams) at the completion of the second semester (CCP classes may follow different parameters as determined by the college).
3. In order to preserve a quiet and focused atmosphere, students are not permitted to leave the room during the scheduled exam time.
4. **Absences must be excused for makeup privileges to be granted.** High school as well as middle school administration will verify absence excuses. Unexcused absence will result in a **ZERO** for the scheduled exam missed.
5. Tardiness during exams follows the same rules as tardiness to school.
6. In the event of a family emergency, the student is responsible to reschedule the exam with a one-on-one meeting with school administration, written documentation allowing early/late

exam, as well as signed teacher approval / parent approval for the scheduled exams. Failure to follow these procedures will result in a **ZERO**. (Please consult the Administration) .

## **HONOR ROLL/MERIT ROLL**

At the conclusion of every grading period, Honor Roll/Merit Roll is compiled for release to the local newspapers and placed on the school's web page.

### **Honor Roll Qualifications:**

- 1) No grade below "C" was received in any subject for that grading period.
- 2) A minimum grade-point average of 3.500.

### **Merit Roll Qualifications:**

- 1) No grade below "C" was received in any subject for that grading period.
- 2) A minimum grade-point average of 3.000.

The general formula for computing your grade-point average for purposes of Honor Roll/Merit Roll is to divide the total quality points by the total credits. Since the particulars of this procedure can become rather involved, they will be omitted here. The Guidance Dept. will list the honor and merit rolls after each grading period.

## **CUMULATIVE GRADE POINT AVERAGES**

GPA's are determined at the end of each semester.

### **CLASS RANK**

Class rank will be determined at the end of each semester beginning with any credit bearing classes and will be based upon the cumulative grade point averages. To determine the final class rank of each senior class member, the cumulative grade point average through the credit bearing classes semesters will be rounded to the nearest hundredth. A class Valedictorian and Salutatorian will be determined using this method. **If there are multiple Valedictorians, then there will be no Salutatorian.**

## **HIGH SCHOOL DROP PROCEDURE**

If it is necessary that a yearlong class be dropped, this must happen by the end of the second week of the first grading period. If it is necessary that a semester class be dropped, this must be done by the end of the second week of the grading period of that semester. After this time the student will no longer have the option of dropping the course and must stay in the class for the remainder of the year. Special exceptions may be made by the principal.

### **PIONEER STUDENTS**

Pioneer students that are enrolled at Wynford through Pioneer Career and Technical Center will have ten (10) days to make a schedule change their junior and senior year. Once that time has passed the students are not permitted to come back to Wynford and must remain at Pioneer Career and Technical School for the rest of the academic school year. If a student chooses to come back to Wynford from Pioneer their senior year that said student must make a written request to the High School Counselor/Principal for review and a decision will be made in the best interest of the student.

# **CLASS STANDING AND GRADING REQUIREMENTS**

Pupils will be promoted and classified in high school under the direction of the principal and such classification will be determined according to the following credit scale.

## HARASSMENT, INTIMIDATION, OR BULLYING

### 1. Statement of Purpose

- 1.1 The Wynford Local School District prohibits acts of harassment, intimidation or bullying. The district has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards; harassment, intimidation or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment.
- 1.2 Harassment, intimidation, or bullying of students or personnel by students, school personnel, or school volunteers is prohibited, whether in the classroom, or school property, on school buses or vehicles, at school-sponsored events, or in cyber-space.

### 2. Definition of Terms

- 2.1 The Wynford Local School District establishes that "harassment, intimidation, or bullying" means any intentional written, verbal, graphic, or physical act or gesture that a student has exhibited toward another particular student **more than one** and the behavior both:
  - 2.1.1 causes mental or physical harm to the other student;
  - 2.1.2 is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.
- 2.2 "Harassment, intimidation, or bullying; also means electronically committed acts (i.e., acts conducted using electronic or wireless communication devices) that a student has exhibited toward another particular student more than once and the behavior both:
  - 2.2.1 causes mental or physical harm to the other student;
  - 2.2.2 is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.
- 2.3 "Harassment, intimidation, or bullying;" also means any intentional written, verbal, graphic, or physical act or gesture that a student has exhibited toward another particular student more than once, and based on any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic; and that both:
  - 2.3.1 causes mental or physical harm to the other student;
  - 2.3.2 is sufficiently severe, persistent, or pervasive that it creates an intimidating,

threatening, or abusive educational environment for the other student.

2.4 A "school-sponsored activity" means any activity conducted on or off school property (including school buses and other school-related vehicles) that is sponsored, recognized or authorized by the Ohio Board of Education.

2.5 "Harassment or bullying" shall not mean any action that would constitute protected free expression under the First Amendment to the Constitution of the United States.

### 3. Dissemination of Policy

3.1.1 The district shall annually disseminate the policy to staff, students, and parents, along with a statement explaining that it applies to all applicable acts of harassment, intimidation and bullying that occur on school property, at school-sponsored functions on school buses or school-related vehicles, or in cyberspace. The policy shall appear in student handbooks and in all publications that set forth the school district's comprehensive rules, procedures, and standards of conduct for schools and students in the district.

3.1.2 To ensure staff are prepared to prevent and effectively intervene with incidents of harassment, intimidation, or bullying, the district shall incorporate information about the policy into employee training manuals and programs.

### 4. Complaints

4.1 Written and Oral Complaints.

4.1.1 The district requires the principal or the principal's designee at each school to be responsible for receiving complaints alleging violations of this policy. Students, parents or guardians may file written complaints of suspected harassment, intimidation or bullying with any school staff member or administrator. A teacher or other school staff member who receives a written complaint shall promptly forward it (no later than the next school day) to the building principal or his/her designee for review and action.

4.1.2 Oral complaints shall also be considered official complaints. Students, parents or guardians, and school personnel may make oral complaints of conduct that they consider to be harassment, intimidation or bullying by verbally reporting to a teacher, school administrator, or other school personnel. A teacher or other school staff member who receives an oral complaint shall promptly document the complaint in writing, and shall promptly forward it (no later than the next school day) to the building principal for review and action.

4.1.3 Both written and oral complaints shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation and/or bullying, including person(s) involved, number of times and places of the alleged conduct, the target of the prohibited behavior(s), and the names of any potential student or staff witness.

4.2 Anonymous Complaints

4.2.1 Students who make oral complaints as set forth above may request that their name be maintained in confidence by the school staff member(s) and administrator(s) who receive the complaint. The anonymous complaints shall be reviewed and reasonable action will be taken to address the situation, to the extent such action may be taken that (1) does not disclose the source of the complaint, and (2) is consistent with the due process rights of the student(s) alleged to have committed acts of harassment, intimidation and/or bullying.

### 5. School Personnel Responsibilities and Individual Intervention Strategies

5.1 Teachers and Other School Staff

5.1.1 Teachers and other school staff, who witness acts of harassment, intimidation or bullying, as defined above, shall promptly notify the building principal and/or his/her designee of the event observed by filing a written incident report

concerning the events witnessed.

- 5.1.2 School personnel should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, humiliating or intimidating another student/school personnel, even if such conduct does not meet the formal definition of "harassment, intimidation or bullying."

## 5.2 Administrator Responsibilities

### 5.2.1 Investigation

- 5.2.1.1 The district requires the principal and/or the principal's designee to be responsible for determining whether an alleged act constitutes a violation of this policy. In so doing, the principal and/or the principal's designee shall conduct a prompt and thorough investigation of all written and oral complaints of suspected harassment, intimidation, or bullying. A written report of the investigation shall be prepared when the investigation is complete. Such report shall include: findings of fact, a determination of whether acts of harassment, intimidation or bullying were verified, and,, when prohibited acts are verified, a recommendation of intervention, including disciplinary action. Where appropriate, written witness statements shall be attached to the report.

### 5.2.2 Responding to Incidents: Disciplinary and Non-Disciplinary Interventions

- 5.2.2.1 Verified acts of harassment, intimidation, or bullying shall result in an intervention by the building principal or his/her designee that is intended to ensure that the prohibition against harassment, intimidation or bullying behavior is enforced, with the goal that any such prohibited behavior will cease.

- 5.2.2.2 The Wynford Local School District recognizes that acts of harassment, intimidation, or bullying can take many forms and can vary dramatically in seriousness and impact on the targeted individual and school community. Accordingly, there is no one prescribed response to verified acts of harassment, intimidation, and bullying. Disciplinary and appropriate remedial actions for a student or staff member who commits an act of harassment, intimidation or bullying may range from positive behavioral interventions up to, and including, suspension or expulsion.

- 5.2.2.3 In determining appropriate interventions for each individual who commits an act of harassment, intimidation, or bullying, the building principal shall give the following factors full consideration:

- The degree of harm caused by the incident(s);
- The surrounding circumstances;
- The nature and severity of the behavior;
- The relationship between the parties involved; and
- Past incidences or continuing patterns of behavior.

### 5.2.2.3.1 Disciplinary Interventions

- 5.2.2.3.1.1 When acts of harassment, intimidation and bullying are verified and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. Anonymous complaints that are not otherwise verified, however, shall not be the basis of disciplinary actions.

- 5.2.2.3.2.2 In and out-of-school suspension may be imposed only after informing the accused perpetrator of the reasons for the proposed suspension and giving him/her an opportunity to explain the situation.

- 5.2.2.3.2.3 Expulsion may be imposed only after a hearing before the Board of Education, a committee of the Board or an impartial hearing officer designated by the Board of Education in accordance with Board policy. This consequence shall be reserved for serious incidents of harassment, intimidation or bullying and/or when past interventions have not been successful in eliminating prohibited behaviors.

- 5.2.2.3.2 When verified acts of harassment, intimidation, or bullying are identified and/or when such verified acts do not reasonably require a disciplinary response, non-disciplinary interventions may be employed to deal with the identified situation.
- 6. Intervention Strategies for Classroom, School Building, or District
  - 6.1 The Wynford Local School District recognizes that overall school climate and school culture might overtly or inadvertently support prohibited behaviors. Accordingly, when the district responds to an individual who has committed a verified act of harassment, intimidation, or bullying, the district should consider whether taking action beyond the individual would prevent potential problems.
