Eastern Oregon Community Resource Network

The Eastern Oregon Community Resource Network (EOCRN) is a collaborative platform that connects the community to strengthen up safety nets and expand opportunities. The CRN aligns services, connects resources to fill unmet needs for community members in **Union, Wallowa and Baker counties**, and accelerates impact by leveraging public sector resources and mobilizing community resources.

The CRN is comprised of non-profits, service organizations, for-profit businesses, civic groups and individuals. When a member becomes aware of an unmet need, they first check with 211 or other resources; if they cannot meet the need it is posted on the CRN. No personally identifiable information about the client is needed, just the basics about the need. The CRN uses custom matching to only notify those members whose profiles match the need category. CRN members contact the requestor directly to coordinate details.

Joining the EOCRN is free, and there is no charge for requesting or sharing resources. Members must be able to adhere to the Terms of Use for the EOCRN. The EOCRN is a community collaboration with backbone support provided by Building Healthy Families.
