

ROYAL VALLEY HIGH SCHOOL

COUNSELING DEPARTMENT

Motto: Motivating and encouraging students to be the best that they can be!

Mission Statement: The mission of the Royal Valley High School Counseling Department is to provide a comprehensive, proactive, and developmentally appropriate program that addresses all students' academic and career goals. In addition, our program will support all students' personal needs, social needs, and their overall wellbeing. This is accomplished through a positive partnership with staff, parents / guardians, and community members to empower all students to become lifelong learners, productive citizens, and successful in a diverse and changing world.

Vision Statement: The Royal Valley High School Counseling Department will encourage all students to achieve high academic excellence, develop personal growth and social responsibility, while also motivating students to be curious about the world around them. The counselor will empower all students to thrive to their full potential by using a comprehensive school counseling program that fosters academic, career, and personal / social goals. The school counselor believes that every student will succeed while building a strong connection with other school staff, home, and the community, to enable all students to become kind, responsible, and productive citizens.

Beliefs:

- All students can succeed.
- All students should be treated with kindness and respect.
- It is vital to build relationships and connections with all students, staff, and families in the community to help our students grow.
- Learning is a lifelong process.
