

MCC Community Education

Science Camp

Activity Information:

MCC Community Education is offering a Science Camp to students in grades K-2 and 3rd-6th of the 2022-2023 school year. This year we are offering 2 different dates to choose from for each section. Please indicate on the form your first choice and if that date is unavailable we will contact you to see if the other date works. The camp will be held on Monday, July 10th and Wednesday, July 12th. K-2 will be from 8:30-11:00 am and 3rd-6th will be from 12:00-3:00pm. There will be a max of 20 students per day. This class will be held either in the Science Room at the High School and/or the Outdoor Classroom. Please dress appropriately for inside or outside weather. Cost for the camp is \$20.00
